Pahal Financial Services Private Limited

Pahal Financial Services Private Limited was established in 2011 as an RBI-registered NBFC-MFI, providing microfinance services to low-income households. With a mission to empower marginalized communities, Pahal has grown into one of the fastest-expanding MFIs in India.

The Company operates with over 3,000 employees across 300+ branches, managing a portfolio of more than ₹2,000 crores across nine states and one Union Territory. Backed by over 55 lenders, including banks, NBFCs, DFIs, and foreign investors, Pahal is also a partner institution with MUDRA.

Through its customer-first approach and tailored financial solutions, Pahal continues to drive financial inclusion and improve livelihoods in underserved communities.

Our Mission

To reach micro finance services to 2 million clients at competitive rates. To achieve internationally acceptable returns of investments to attract mainstream capital in the services of the segment at the bottom of the pyramid.

Our Vision

We endeavor to provide sustainable services for financial inclusion in rural and urban households with proficiency, at an affordable price while maintaining dignity, honor and transparency to enhance the livelihood and quality of life of our customers.

Our Values

Customer centric | People first | Integrity | Innovation
Operational excellence | Value Creation | Diversity

From MD's Desk

As we close the financial year 2024-25, we are proud to reflect on the progress and resilience demonstrated by Pahal Financial Services in a rapidly evolving microfinance landscape. This year has been pivotal in navigating regulatory changes, responding to sector-wide challenges, and expanding our footprint into new geographies, including Telangana. Despite macroeconomic headwinds and the sector's contraction, we remained committed to our mission of promoting responsible financial inclusion, particularly for women entrepreneurs and low-income households. We extend our heartfelt gratitude to our dedicated team, strategic partners, investors, regulators, and customers, whose unwavering support and collaboration have been critical in enabling sustainable and impactful growth.

Steering Resilience and Inclusive Growth in a Changing Landscape

India continues to stand out as one of the fastest-growing major economies, now ranked as the 4th largest economy globally with a nominal GDP exceeding USD 4 trillion. Domestic consumption, infrastructure development, and digital technology adoption are key drivers of this growth. However, the country faces important challenges, such as providing productive employment for its large and growing working-age population, with an average age of 28.2 years. The vision of Viksit Bharat 2047 focuses on inclusive development, with special attention to youth, farmers, women, and the poor.

The microfinance sector has witnessed tremendous expansion over the past decade, growing from ₹17,264 crore in 2012 to ₹3.93 lakh crore in 2024, driven by innovations in digital lending and financial inclusion. The projected CAGR of ~10.1% from 2025 to 2033 remains promising. Yet, FY25 proved to be a challenging year as the sector's AUM contracted to ₹3.59 lakh crore by June 2025, marking a 5.8% QoQ and 17% YoY decline. While NBFC credit growth remained robust at +20%, MFIs experienced a steep ~95% plunge in profits, and industry-wide delinquency rose to 21.84%.

During the year (FY-25), the microfinance sector experienced a notable contraction, with AUM declining significantly due to macroeconomic headwinds and regulatory adjustments. Pahal's portfolio experienced a contraction in line with the broader industry trend; however, we demonstrated resilience by prioritizing portfolio quality, adhering to responsible lending practices, and driving sustainable, long-term growth. Pahal Financial Services achieved several significant milestones that strengthened our strategic position and broadened our impact, despite a challenging industry environment.

Pahal's Key Milestones & Strategic Progress

- Equity infusion of ₹147.6 crore, led by Proparco and supported by Gawa Capital
- New marquee lenders like DFC, Symbiotics, and Bank of Baroda, expanding our lender base to over 50 partners.
- Expanded our geographic presence with the activation of Telangana as a new operational state.
- Reduced employee attrition rate below the industry average, strengthening institutional capacity.
- Qualified for the National Credit Guarantee Trust Company (NCGTC) program, improving access to credit for underserved segments.
- Launched new digital initiatives, including Pahal Pe (digital lending platform) and strategic Fintech partnerships, enhancing customer accessibility and operational efficiency.
- The regulatory revision lowering the Qualifying Asset requirement from 75% to 60% provided Pahal with a headroom for enabling strategic expansion into non-micro-loan products while remaining compliant.
- Pahal's innovative practices were recognized globally, being featured as a case study by INSEAD.

Additionally, through a Technical Assistance (TA) project supported by Gawa Capital, we are in the process of strengthening our expertise in agri-finance by developing innovative financial solutions tailored to the needs of small and marginal farmers. This ongoing initiative focuses on enhancing access to credit for agricultural activities and promoting sustainable farming practices, with the aim of empowering the backbone of rural livelihoods and contributing to long-term economic resilience.

Impact Initiatives

IBISA:

Pahal's mission extends beyond financial inclusion to delivering measurable social impact. Our strategic IBISA partnership has been pivotal in providing peace of mind to rural dairy farmers in Gujarat by protecting their livestock and livelihoods from extreme temperature risks. This initiative exemplifies our long-term strategy to design innovative, climate-resilient financial solutions that build systemic resilience in vulnerable communities.

Additionally, we achieved a Sustainability/ESG Rating of B+ (69%) from AFISAR and received excellent performance ratings in the Code of Conduct Assessment (CoCA) by SMERA. These accolades reflect our dedication to responsible finance and consumer protection.

Financial Literacy and Consumer Protection

On the financial literacy front, we conducted over 48 workshops in partnership with RBI & Sa-Dhan, reaching more than 2,400 women, educating them on savings, credit management, and responsible borrowing. We continued to strengthen our grievance redressal mechanism, ensuring transparent and prompt resolution of client concerns.

Furthermore, in collaboration with M-SWASTH, we launched more than 15 e-clinics across Uttar Pradesh and Bihar since January 2022. In FY 2024-25 alone, these e-clinics served over 68,000 beneficiaries, making healthcare accessible and affordable to rural populations.

Commitment to the Sustainable Development Goals (SDGs)

Our operations are closely aligned with the following key SDGs

The Road Ahead

At Pahal, our commitment to responsible and sustainable growth is unwavering. As we look to the future, we will continue embedding advanced impact measurement frameworks, expanding our climate-sensitive financial solutions, deepening digital innovations, and strengthening strategic partnerships. Guided by prudence and purpose, we remain focused on empowering underserved communities with dignity, resilience, and opportunity. The lessons of past years reaffirm the importance of balanced growth, navigating challenges with caution while pursuing impactful opportunities.

As we move forward, it is crucial to exercise caution against irrational exuberance. While the opportunities are promising, we must remain vigilant and prudent in our strategies. The lessons from previous years remind us of the importance of balanced growth and sustainable practices.

Warm regards,

Purvi Bhavsar & Kartik Mehta

Co-Founders & Managing Directors

Pahal Financial Services Pvt Ltd

Board And Senior Management

Mr. Satish G Mehta
(CHAIRMAN OF THE BOARD)

Mr. Satish G. Mehta, Founder of Athena Advisors, brings over 40 years of expertise in mortgage finance, consumer finance, credit information, and consultancy, and was instrumental in establishing India's first credit bureau - CIBIL. He has worked with leading institutions like HDFC, CIBIL, Dun & Bradstreet Dubai, Piramal Capital, and global organizations including the World Bank and IFC.

Mr. Vaibhav Suhas Joshi
(Non-Executive Independent Director)

Mr. Vaibhav is a seasoned business leader with 20+ years of experience in fintech and digital banking, having co-founded multiple startups and worked with two leading banks. An honorary PhD in Digital Banking & Fintech, he has contributed to landmark initiatives like Aadhaar, YES Bank's Digital Banking setup, and India's large-scale financial inclusion project eShakti.

Ms. Alpana Killawala
(Non-Executive Independent Director)

Ms. Alpana retired from the Reserve Bank of India in 2019 after a 26-year career, serving as Head of Communication Policy. She worked closely with several RBI Governors and played a key role in financial inclusion and literacy initiatives, including multilingual campaigns, illustrated booklets, and the establishment of the RBI Museum.

Ms. Purvi Bhavsar
(CO-FOUNDER & MANAGING DIRECTOR)

Ms. Purvi Bhavsar, a first-generation entrepreneur from Ahmedabad, brings 29+ years of diverse experience across BFSI and Telecom with organizations like Kotak Mahindra, HDFC Bank, ICICI Bank, and Vodafone. She has been recognized among the Top 10 Women in Finance (2020) and Leading Women in Telecom (2010-11), and actively mentors fintech and impact start-ups through programs by IIMB and Stanford.

Mr. Kartik S Mehta
(CO-FOUNDER & MANAGING DIRECTOR)

Mr. Kartik S. Mehta, a Chartered Accountant, Cost Accountant, and Certified Financial Planner, is a career banker with 30+ years of experience in banking and financial services. He has worked across corporate finance, treasury, retail banking, agriculture credit, priority sector, and microfinance, and has contributed to pioneering work in the banking correspondent space, with extensive exposure in India, Brazil, and South Africa.

Mr. Guillaume Barberousse
(Nominee Director - Proparco)

Mr. Barberousse, Head of Sustainability at Proparco, is an agronomist with a master's in finance from ESCP. He has held leadership roles including Deputy Head of MAS Division and Regional Director, bringing extensive experience in sustainability and development finance.

Ms. Arpita Pal Agrawal
(NOMINEE DIRECTOR - DIA VIKAS)

She holds a PGDM from IIM Ahmedabad and is the Managing Director & CEO of Dia Vikas Capital since February 2023. Previously, she led M-CRIL inclusive Microeconomics and was a Partner in Big 4 firms with over 25 years of management and risk consulting experience. She serves on the Supervisory Board of Oikocredit and is an independent director at Airtel Payments Bank.

Mr. Luca Torre
(NOMINEE DIRECTOR - GAWA CAPITAL)

He has spent his career investing in and advising microfinance institutions. Before founding GAWA, he worked at Credit Suisse, advising on capital market access, including Banco Compartamos' IPO. He also gained experience with Annapurna, an Indian MFI, and started his career at BCG. He holds an MBA from Kellogg, where he was awarded the Siebel scholarship.

Ms. Niroshani Sawanawadu
(NOMINEE DIRECTOR - BOPA)

She has extensive MSME experience, specializing in financial inclusion and digital development. As founding Country Manager in Myanmar, she built a leading microfinance company in 2 years. A CGAP-certified trainer and SPI4 auditor, she holds degrees in IT and an MSc in Finance from SOAS, UK, with additional training from Harvard and Boulder Institute of Microfinance.

The Management Architecture

In our continued quest for excellence, Pahal Financial Services Private Limited takes immense pride in our team and their unwavering efforts. As the saying goes, "We are what we repeatedly do. Excellence then, is not an act, but a habit." Our team, composed of dedicated professionals from diverse backgrounds, is the backbone of our success. Each member brings unique expertise, contributing to a cohesive and efficient operational framework that drives our mission forward. Supporting our belief that "Together we will achieve greatness beyond measure," our collective efforts ensure sustained excellence and growth.

At the helm is our leadership team, including the Managing Directors and Executive Management, who set the strategic vision and ensure its effective implementation. Various departmental heads oversee critical functions such as Operations, Finance, Human Resources, Marketing, and Risk Management. Each department is staffed with skilled professionals committed to achieving our organizational goals.

Our Portfolio: Products Services & Technology

JOINT LIABILITY GROUP (JLG)

Pahal offers a comprehensive Joint Liability Group (JLG) product portfolio designed to cater to the diverse needs of low-income rural and semi-urban households. Our offerings go beyond traditional loans, including consumer products such as fans, mixers, and solar lights, essential for daily household activities. We also provide targeted financial products like Water and Sanitation loans and the micro-insurance product, Hospicash, covering medical expenses and mitigating financial risks associated with health issues. Pahal's commitment to customer protection principles and fair behavior ensures that our services are accessible and beneficial to the communities we serve.

Service Portfolio: In FY 24-25, we onboarded 6.45 lakh insurance policies across Credit Life, Hospicash, and Cattle Insurance, with total claims settled exceeding ₹36.23 Crores from about 18,435 claims received. The highest number of policies was onboarded in June'24 and July'24, followed by August'24 and October'24.

Ticket Size

₹30,000 – ₹1.03lakhs

Purpose

Microbusiness, Livestock, Agriculture, Education, WASH

Performance

Microbusiness has the largest portfolio (40%) followed by Agriculture (39%) and Livestock (15%).

EXPANDING HORIZONS: OUR GEOGRAPHIC FOOTPRINT

We are operating in 9 states and 1 UT with an AUM (own + managed) exceeding ₹1534 Cr in the JLG vertical, serving over 5.39 lakh customers through 328 branches.

Portfolio Growth: JLG Vertical witnessed a substantial annual portfolio growth rate of ~20%, with Chhattisgarh experiencing the highest growth at 14%, from ₹23.89 Cr in FY 24 to ₹27.20 Cr in FY 25. Madhya Pradesh also saw a significant growth rate of 7%.

Customer Base: The highest customer base is in Bihar and Gujarat, Chhattisgarh showing the fastest growth at over 14%, followed by Madhya Pradesh with a 7% increase. Both states are rapidly climbing the ladder in customer base expansion.

Industry Overview And Trends

Market Size & Growth Dynamics

- India's microfinance market expanded dramatically—from ₹17,264 crore in 2012 to ₹3.93 lakh crore in 2024—reflecting a 2,100% rise over 12 years. (Data source: IMARC Group)
- The 2025–33 outlook remains favorable, with an expected CAGR of ~10.1%, based on a global forecast model.
- Yet FY25 brought a notable downturn: sector-wide AUM contracted to ₹3.59 lakh crore by June 2025—a 5.8% QoQ and 17% YoY drop. (Data source: The Economic Times)
- NBFC credit growth was strong (+20% in FY25 vs. +12% for banks), but MFIs saw a staggering ~95% plunge in profits. (Data source: The Times of India)

Asset Quality & Profitability Stress

- Rising delinquencies are a major concern: soft bucket PAR rose 50 bps and hard bucket (>30 days past due) hit 4.1% in June 2024
- AUM and growth severely slowed in FY25—projected to just 0–5% for MFIs, down sharply from ~29% in FY24 (Data source: Business Standard)
- ICRA forecasts credit costs rising steeply to 5.4–5.6% (from 2.2% in FY24) and RoMA sliding to 0.4–0.8%, ICRA's outlook noted a 12% contraction of AUM in FY25, down sharply from 29% growth in FY24 (Data source: Business Standard)
- Mavenark Advisors also signals shrinking Net Interest Margins (NIMs) due to worsening yields and asset quality

Regulatory & Policy Developments

- Stronger guardrails introduced by MFIN in April 2025: borrower allowed max 3 MFI lenders; household indebtedness capped at ₹2 lakh; enhanced underwriting norms (Data source: Value research online, The Financial Express, Business Standard & Mint)
- RBI reduced qualifying asset requirement for NBFC-MFIs to 60% (from 75%) in June 2025—granting greater flexibility to diversify assets (Data source: The Economic Times & Business Standard)
- RBI Deputy Governor flagged critical issues such as high interest margins, over-indebtedness, and aggressive recovery practices; urged reforms toward ethical lending (Date source: Business Standard & The Week)

Operational Innovation & Transformation

- Digital transformation remains a strong enabler: digital platforms, AI/biometric eKYC, UPI integration, mobile-first services, and fintech partnerships are driving efficiency and inclusion (Data Source: IMARC Group)
- RegTech, blockchain, cybersecurity, and contactless payment innovations are being adopted for enhanced transparency and fraud mitigation
- MFIs continue prioritizing women-centric lending, with women comprising 99% of 8.67 crore active borrowers and ₹4.43 lakh crore loan book in 2024 (Data Source: The Economic Times & Equifax)
- ESG-aligned initiatives like green microfinance (renewable energy, sustainable agriculture) are gaining traction.

Business Strategy & Execution

Core Strategic Response

- **Digital Excellence & Efficiency**
Accelerate adoption of AI-driven underwriting, UPI-based loan servicing, mobile apps, and RegTech tools to reduce cost and shrink turnaround times.
- **Product & Borrower Diversification**
Leverage RBI's relaxed qualifying asset norms (60%) by expanding into adjacent segments like MSME lending, secured small business loans, and community savings schemes.
- **Ethical and Borrower-Safe Lending**
Align with SA-DHAN guardrails and RBI's expectations—strict borrower verification, enforce ₹2 lakh indebtedness cap, and adopt humane collection practices.
- **Women-Focused & ESG Offerings**
Deepen women-focused lending, add green financing products, and highlight so-

cial impact as differentiators.

- **Capital Strategy & Consolidation Play**
With investor sentiment waning (equity down 1.8% and borrowings down 36% in FY25) strategic rights issue, alliance with Banks, or thoughtful M&A to build scale and resilience can be seen.
- **Operational Resilience & Risk Monitoring**
Strengthen credit bureau linkage, deploy early-warning systems, provide staff cross-training, and diversify state-level exposure to mitigate regional disruptions.

INDIVIDUAL LOAN (IL)

At Pahal Finance, customer-centricity continues to drive our individual lending strategy. We have diversified our loan offerings to address the evolving needs of customers, particularly those from vulnerable and underserved communities.

Our IL products, ranging from ₹50,000 to ₹10 lakh, include both secured and unsecured loans for individuals and businesses, with flexible tenures of 6–36 months. In addition, cattle loans with insurance cover remain a cornerstone product, supporting rural households by safeguarding their livelihood assets.

Strategic Focus

In FY 24–25, our focus remained on:

- Designing competitive products aligned to market needs.
- Expanding our consumer product range alongside core loans.
- Transitioning IL branches to a virtual credit model for loans below ₹2 lakh, ensuring faster and more seamless customer experience.

Partnerships & Initiatives

1. SIDBI Partnership – Supporting women entrepreneurs with business loans up to ₹5 lakh at competitive rates.
2. MAS Financial Alliance – Strengthening reach in smaller ticket loans with sizes up to ₹1.5 lakh.
3. Green Financing – Partnering with Sistema.Bio to promote sustainable rural livelihoods; 50 units of bio-digestors sold under subsidized schemes.
4. Digital Integration – Through Dvara Technology, dairy farmers now benefit from rapid credit appraisal using cattle photo uploads.
5. Dvara E Registry – Agri loan to small and marginal farmers through Khet score technology

Portfolio Snapshot:

Portfolio Snapshot (FY 24-25)				
Loan Type	Ticket Size	Tenure	ROI Range	Clients
Secured Loan	₹2.5 lakh – ₹10 lakh	6-36 months	26% – 28%	89
Unsecured Loan	₹50,000 – ₹3 lakh	6-36 months	26% – 28%	17186
Cattle Loan	₹50,000 – ₹10 lakh	6-36 months	24% – 28%	1291
Business Loan	₹1 lakh – ₹10 lakh	6-36 months	26% – 28%	989

SECURED LOAN (SL)

Market Landscape

With two-thirds of India’s population in rural areas, the demand for commercial and utility vehicles continues to expand. Used vehicle sales are expected to outpace new vehicle sales by nearly six times by 2026, while NBFCs’ vehicle financing assets are projected to grow by 17% to over ₹8.1 lakh crore.

Our Strategic Response

Pahal Finance continues to build on this opportunity by:

- Expanding presence in Tier 3 and Tier 4 towns.
- Offering tailored products like used tractors, new and electric three-wheelers, and used commercial vehicles.
- Driving cross-sell opportunities including vehicle insurance renewal.
- Exploring co-lending partnerships with leading NBFCs and banks, including TATA Capital.
- Planning geographic expansion into 2 more states and opening 11 additional branches

Product Portfolio (FY 24-25)

- New 3-wheelers (passenger & goods): Loans up to 110% of ex-showroom price, tenures up to 60 months.
- Electric 3-wheelers: Loans up to 95%, tenures up to 48 months.
- Used 3-wheelers (Bajaj): Fixed loan amounts, tenures up to 36 months.
- Used cars & commercial vehicles: Loans up to 95% of valuation, tenures up to 60 months.
- Interest rates: Ranged between 18% and 33%, competitive with market standards.

Operational States:

- Gujarat
- Madhya Pradesh
- Tamil Nadu
- Rajasthan

New Product Offering: Digital Lending Application – PahalPe

PahalPe – Powering Our Digital Lending Future

As part of our strategic vision to build a technology-led, customer-first financial ecosystem, Pahal is set to launch PahalPe, a mobile-first platform for instant personal loans. This marks a major step towards digitizing the entire borrowing journey, making credit access faster, simpler, and more inclusive.

With PahalPe, customers will be able to complete the full loan cycle—application, KYC, approval, and disbursement—seamlessly on their smartphones without branch visits. Designed with competitive interest rates, minimal documentation, and complete transparency, the platform ensures ease of access while upholding strong credit discipline.

Key Differentiators

- Inclusive Lending – Designed to serve first-time borrowers and semi-urban/rural customers, bridging the financial inclusion gap.
- End-to-End Digital Journey – 100% paperless process with direct disbursal into customer bank accounts.
- Flexibility & Choice – Customers can select their loan amount, tenure, and EMI date.
- Efficient & Scalable – Quick turnaround time supported by robust backend integrations, enabling higher operational efficiency.

Strategic Impact

The launch of PahalPe is expected to:

- Expand Pahal’s reach in the retail lending market.
- Strengthen our positioning as a digital-first, future-ready NBFC-MFI.
- Drive operational efficiency and lower acquisition costs.
- Reinforce our commitment to financial inclusion by extending access to underserved segments.

Product Parameters

- Maximum Ticket Size: up to ₹1.50 lakh
- Target Segment: Salaried and self-employed borrowers, including first-time credit seekers
- Objective: Support household needs, small businesses, and financial inclusion initiatives

PahalPe Loan Process

TECHNOLOGY INITIATIVES

Key Digital Initiatives

Several strategic initiatives have been implemented to strengthen our digital capabilities, improve operational efficiency, enhance compliance, and align with our sustainability goals.

Payment Link Implementation

We introduced a secure payment link mechanism to enable customers to make digital repayments via SMS payment link. This has improved collection efficiency, reduced cash handling risks, and enabled real-time payment reconciliation.

Account Aggregator Integration

By adopting the RBI’s Account Aggregator framework, we can now securely access customer financial data with consent. This has accelerated credit assessment, reduced document handling, and improved underwriting quality.

Implementation of SRO Guard Rails

Industry-standard guard rails recommended by SRO’s have been implemented to enhance borrower eligibility checks, ensure responsible lending practices, and maintain portfolio quality.

Paperless Digital Onboarding & Disbursement

We have digitized the entire customer journey from KYC to disbursement, eliminating paper-based processes. This supports our commitment to environmental sustainability and reduces turnaround times.

Leveraging Digital Video PD & Virtual Center Meetings

Video PD (VPD) and online center meetings have been introduced, reducing travel re-

quirements, enhancing operational agility, and significantly lowering loan disbursement turnaround time.

Compliance Management System Implementation

A centralized compliance platform has been deployed to track, monitor, and report on all regulatory requirements. This system ensures timely compliance, better governance, and improved audit preparedness.

Overall Impact:

These initiatives collectively contribute to faster service delivery, improved compliance adherence, reduced operational costs, better risk management, and alignment with our ESG objectives.

Our Cultural Fabric (Empowering People)

Activities and Initiatives undertaken by Pahal and its Employees over the last year...!

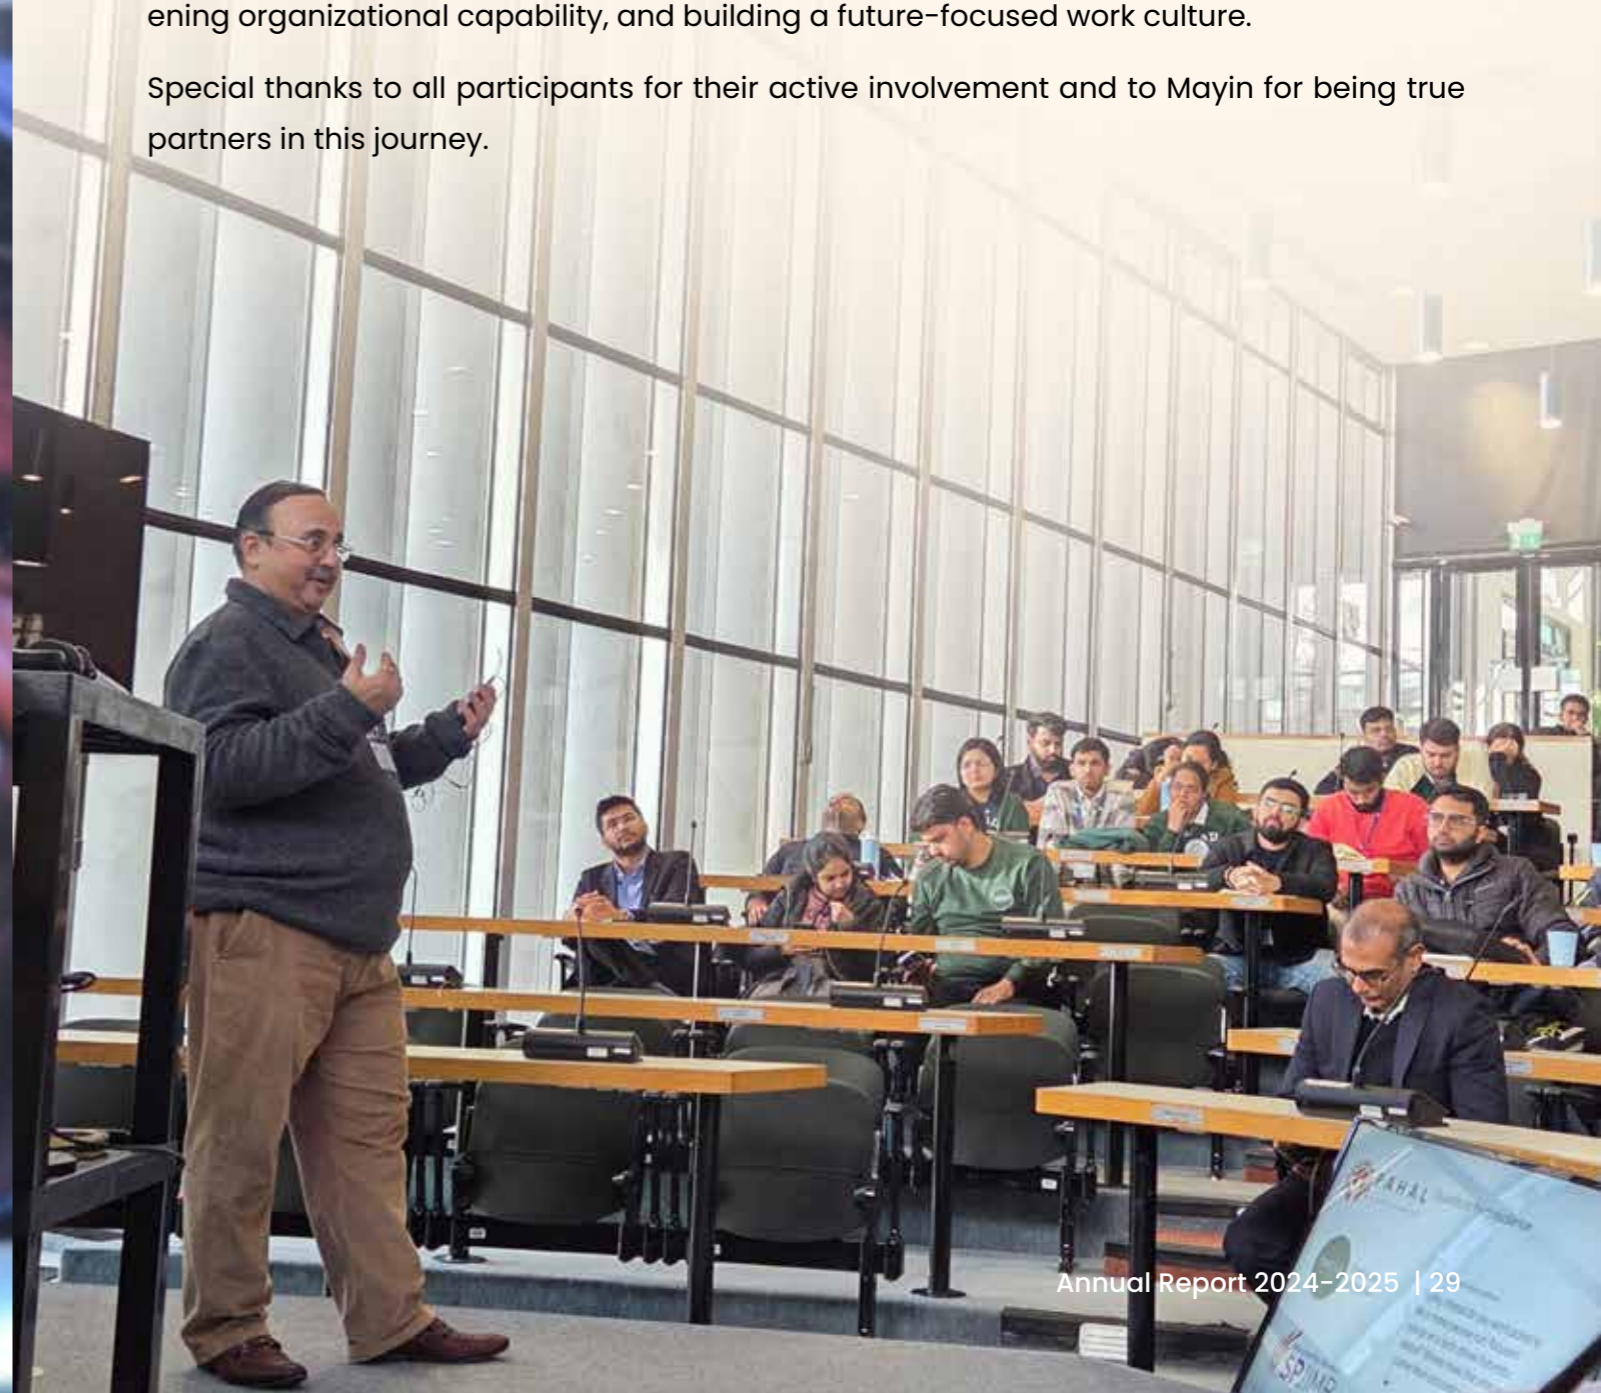

Strengthening Leadership Through People: Strategic Workshop at Pahal

In April 2025, Pahal's Senior Management Team participated in a high-impact Strategic Workshop facilitated by Mayin Advisory Services. The session was designed to realign our leadership lens on organizational culture, people strategy, and future-readiness.

What truly stood out was Mayin's clarity of thought, their deep HR expertise, and a strong partnership mindset. The facilitators created a dynamic and engaging space where senior leaders could reflect, ideate, and collaborate on key people priorities.

This initiative marks a vital step in our commitment to fostering agile leadership, strengthening organizational capability, and building a future-focused work culture.

Special thanks to all participants for their active involvement and to Mayin for being true partners in this journey.

The first introductory meeting, held on 15th January 2025, marked the commencement of a significant initiative in collaboration with Sa-Dhan to strengthen the grievance redressal framework. This platform plays a crucial role in addressing and resolving grievances of MFIs, clients, and staff, thereby reinforcing client protection by ensuring that borrowers' voices are heard. In line with this commitment, Ms. Purvi Bhavsar has been appointed as a member of the Grievance Redressal Committee, contributing her expertise towards the development and effective implementation of a robust grievance resolution mechanism at the MFI level.

Awards & Recognition

ASSOCHAM Award

- Runner-Up for Best ESG Initiative in the NBFCs, Digital Payments, and Lending Firms category.

Sa-Dhan Elaben Memorial Award

- Runner-Up for Best Women-Friendly Financial Institution.

Pahal was presented as a Case Study at INSEAD

We are proud to share that Pahal was recently presented as a case study at INSEAD, one of the world's leading business schools. This recognition is a testament to our journey of impact, innovation, and inclusive finance.

The experience of engaging with world-class mentors, professors, and future leaders was deeply enriching. As we reflect on this milestone, we celebrate the grit and passion that fuel our mission.

Talent Acquisition and Retention

During the year, our focus remained on building a skilled and committed workforce to support our business growth and serve our customers effectively.

Talent Acquisition:

- We strengthened our recruitment framework to ensure timely hiring of high-quality talent across all levels, with special emphasis on field staff who form the backbone of our operations.
- New hiring initiatives and community outreach helped us attract candidates familiar with the regions we serve, ensuring cultural alignment and operational efficiency.
- 100% onboarding across all levels at all branches was maintained throughout the year with replacement TAT of 45 days to ensure smooth operations.
- Our efforts in talent acquisition and retention have enabled us to maintain a stable and motivated workforce, capable of delivering on our mission of empowering communities through financial inclusion.

Retention:

- We rolled out new retention strategies focused on enhancing employee engagement, career development, and workplace well-being.
- Retention incentive process, structured induction programs, role-specific training, and regular capability-building sessions to equip employees with the skills needed for operational excellence.
- Periodic feedback and open communication channels ensured that employee concerns were addressed promptly, contributing to improved satisfaction and reduced attrition.
- The voluntary field attrition for the year has come down by 8% as compared to previous year due to the various retention activities.

Diversity and Inclusion Initiatives

We are committed to fostering a workplace that values diversity, promotes equality, and ensures inclusion at every level of the organization. Our workforce reflects the communities we serve, with a significant representation of employees from varied geographies, cultures, and socio-economic backgrounds.

Gender Diversity:

- In line with our focus on empowering women, we continued to increase female representation across roles, including field operations, branch management, and leadership positions.

Inclusive Hiring Practices:

- We actively recruit from local communities, providing opportunities to candidates from underrepresented groups and ensuring accessibility to employment for individuals with diverse educational and professional experiences.

Workplace Culture:

- Through awareness sessions, anti-harassment training, and policies like POSH (Prevention of Sexual Harassment), we have reinforced our commitment to a safe and respectful work environment.
- Our diversity and inclusion initiatives not only strengthen our organisational culture but also enhance our ability to understand and serve our customers better, driving long-term sustainability and impact.

Training Initiatives & Impact

In the financial year 2024-25, Pahal Financial Services conducted 573 training programs, benefitting 26,951 participants, the company continued to strengthen its learning culture by delivering a wide range of training programs, including onboarding, technology updates and adoption, technical skills, soft skills, leadership development, and compliance. These initiatives covered almost the entire workforce through diverse learning modes such as classroom sessions, virtual training, blended learning, e-learning modules, workshops, field training, and on-the-job learning.

While specific quantitative impact measures were not recorded this year, the consistent focus on capability building has ensured that employees remain equipped with the knowledge and skills required to adapt to evolving business needs. Looking ahead, the company plans to prioritize psychological safety and implement a structured framework to align training with business KPIs, enabling clear measurement of outcomes in the coming year.

Progress (Merger & Acquisition) – Highlights for 24–25

PROPARCO: EQUITY INFUSION

Strategic Fundraising to Accelerate Growth and Social Impact

In the fiscal year 2024–25, Pahal Financial Services achieved a significant milestone by securing ₹147 crore in equity funding from Proparco, the private sector financing subsidiary of the French Development Agency (AFD), along with continued support from our existing investor, Gawa Capital.

This strategic infusion of capital reflects strong investor confidence in Pahal’s mission and growth trajectory. The funding will play a pivotal role in expanding Pahal’s outreach, enhancing its technology infrastructure, and strengthening financial access for low-income households, with a special focus on empowering women entrepreneurs who are vital contributors to rural economic development.

Proparco’s investment reflects a shared commitment to advancing responsible and sustainable finance. This partnership is in alignment with the India–France cooperation agenda, aimed at fostering inclusive growth and enhancing economic resilience. It further emphasizes the critical role of supporting microfinance institutions that provide impact-driven, customer-focused financial solutions to underserved communities.

At Pahal, we remain committed to our vision of deepening financial inclusion through responsible lending practices. Our product offerings—tailored micro and MSME loans—are designed to address the unique challenges of low-income households, enabling them to invest in businesses, healthcare, and education. Furthermore, we continue to innovate in climate finance, ensuring that vulnerable segments are supported in the face of climate risks.

This funding marks a major step forward in our journey to drive economic empowerment, particularly for women-led businesses, and reinforces our dedication to the broader Sustainable Development Goals (SDGs). It equips us to scale our operations, further embed ESG principles in our strategy, and deliver lasting social and economic impact.

“We are excited to welcome Proparco as an equity partner in Pahal. Proparco’s expertise on climate and ESG aspects will help propel Pahal’s growth over the coming years. This funding will play a pivotal role in accelerating our growth, expanding our geographic presence, and strengthening our ability to serve more micro-entrepreneurs, particularly women, who are the backbone of rural economies,” said Kartik Mehta and Purvi Bhavsar, Co-founders of Pahal Financial Services. “With Proparco’s support, we aim to deepen our social impact and reinforce our commitment to responsible and sustainable finance.”

Sustainable Development Goals

Our Commitment to progressing responsibly

As a responsible NBFC-MFI, Pahal Financial Services is deeply committed to fostering inclusive and sustainable growth while creating long-term value for all stakeholders. Our core focus remains on extending access to affordable and responsible financial services to underserved households, with a special emphasis on empowering women, small entrepreneurs, and low-income families.

During the financial year 2024-25, over 89.31% of our loan portfolio was extended to women borrowers, reflecting our unwavering commitment to promoting women as key drivers of household stability and community development. Our cumulative portfolio continued to grow, with a strong focus on livelihood financing, microenterprise support, and income-generating activities that contribute to sustainable economic upliftment.

Beyond credit delivery, Pahal conducted 48 financial literacy workshops, empowering customers with the knowledge and tools to make informed financial decisions and access digital financial services.

Aligned with our Environmental, Social, and Governance (ESG) objectives and the broader Sustainable Development Goals (SDGs), we consciously steer our products toward responsible financing avenues. These include clean energy solutions, sustainable agriculture practices, and livelihood-enhancing products, contributing specifically to the following SDGs:

- SDG 1: No Poverty – By expanding financial access to low-income households, enabling income-generating activities.
- SDG 5: Gender Equality – Through targeted loans and support for women entrepreneurs.
- SDG 7: Affordable and Clean Energy – By promoting clean energy solutions.
- SDG 8: Decent Work and Economic Growth – Supporting micro and small enterprises to promote entrepreneurship.
- SDG 13: Climate Action – Through climate-sensitive financial products and risk mitigation strategies.

This year, Pahal's performance in responsible and impact-driven operations was validated by the AFISAR (Agents for Impact Sustainability Alignment Rating) rating, which recognized our strong governance, customer protection measures, and alignment with financial inclu-

sion and social impact best practices.

A landmark initiative this year was our partnership with IBISA to secure cattle-holding customers against loss from extreme temperature conditions. Gujarat witnesses extreme heat from April to July, reducing milk production and impacting daily incomes of dairy farmers. This innovative solution helps safeguard livelihoods and builds resilience among vulnerable farmers.

At an organizational level, Pahal continues to uphold strong governance, customer protection, and ethical practices across all operations. By combining scale with responsibility, we not only finance livelihoods but enable dignity, resilience, and opportunity for millions of households.

Looking ahead, Pahal will focus on further digital innovation, deepening impact measurement frameworks, expanding climate-sensitive solutions, and enhancing strategic partnerships—all while advancing our mission to foster dignity, resilience, and opportunity for millions of underserved households.

Strategic Planning Retreat – Varanasi

Overview

In June, 2025, the company convened its annual strategic planning retreat in Varanasi—a city symbolic of renewal and long-term vision. The serene setting provided an ideal backdrop for deep reflection, collaborative ideation, and decisive planning.

The strategy meeting provided comprehensive overview of our operating landscape, leadership vision and forward looking initiatives. From macroeconomic insights and sectoral trends to board expectations and business strategy, the discussion underscored our commitment to innovation, resilience and responsible growth. Key updates included advancements in technology infrastructure and expanding focus on climate action and thematic initiatives such as PahalPe. These pillars form the foundation of our roadmap for sustainable impact and stakeholder value.

“
The Varanasi retreat was not just a meeting—it was a moment of strategic clarity. We emerged with renewed conviction for sustainable growth.
 ”

Management Discussion and Analysis

Company Overview

Pahal Financial Services Pvt. Ltd., established in 2011 through the strategic acquisition of Kelkar Leasing Company Pvt. Ltd. and a microfinance portfolio of ₹2.50 Cr from Lok Vikas Nidhi, has consistently pursued its vision of holistic financial inclusion for underserved and unbanked communities across India. Over the years, Pahal has strengthened its presence and operations, combining robust governance with a customer-centric approach.

Key Performance Highlights – FY 2024-25

The financial year 2024-25 was marked by significant challenges across the microfinance industry, with the sector witnessing an overall AUM contraction of nearly 20%. Despite this, Pahal demonstrated resilience and operational discipline:

- **Assets Under Management (AUM):** Closed at ₹1,773 Cr, compared to ₹2,094 Cr in FY 2023-24, reflecting a controlled degrowth of 15.32%, better than the industry average.
- **Customer Base:** Declined marginally from 5.8 lakh to 5.65 lakh active customers.
- **Revenue & Profitability:** Revenue increased to ₹505.20 Cr (from ₹462.23 Cr), while PAT stood at ₹6.37 Cr against ₹39.15 Cr in the previous fiscal.
- **Human Capital:** Workforce optimized to 2,992 employees (from 3,189), primarily due to branch mergers and operational realignments.
- **Capital Infusion:** Secured ₹147 Cr in equity funding, comprising ₹115 Cr from Proparco (new investor) and ₹32 Cr from GAWA (existing investor), further strengthening the company's balance sheet.

Industry Context

The Microfinance Industry (MFI) had a very challenging year.

- **NBFC-MFI Loan Portfolio:** ₹1,48,419 Cr with 5.39 Cr active loan accounts.
- **Average Ticket Size:**
- **Portfolio at Risk (PAR 90+):** Deteriorated from 10.90% in March 2025 to 8.8% in March 2025.

Against this backdrop, Pahal delivered industry-leading portfolio quality, with a PAR 90+ of 6.10%, showcasing strong risk management and operational efficiency.

Capital Mobilization and Partnerships

Pahal successfully raised ₹983.47 Cr through diversified sources during the year:

- ₹38.91 Cr via securitization and direct assignments.
- ₹944.56 Cr from banks, NBFCs, FPIs, and other institutional partners.
- Additionally, in FY 2025-26, funds were raised through the GIFT City route at more competitive rates.

Top Lending Partners included ResponsAbility, Blue Orchard, Developing World Markets (DWM), Bank of Maharashtra, and MAS Financial Services Ltd.

Governance & Compliance

Portfolio Quality and Governance

Pahal maintained industry-leading asset quality with PAR 90+ at 6.10%, outperforming the industry benchmark. As an RBI-registered NBFC-MFI since 2014, Pahal upholds the highest standards of compliance, governance, and ethical operations, ensuring transparency and trust across all stakeholders.

Looking Ahead

With a stronger capital base, disciplined risk management practices, and a motivated team, Pahal is well-positioned to:

- Expand its reach in underserved geographies.
- Drive sustainable and profitable growth.
- Deliver measurable socio-economic impact by empowering communities through accessible and responsible financial solutions.

Way Forward

The Risk Management Framework is being made robust in line with the Operations Risk and Resilience Guidelines by RBI. Frameworks such as RCSA, EWS and KRIs are being developed at Enterprise level

DETAILS OF SUBSIDIARY, ASSOCIATE AND/OR JOINT VENTURE COMPANIES

The Company has no subsidiary, associate and/or joint venture companies.

RISK MANAGEMENT AND AUDIT

Overview

Pahal Financial Services Private Limited (Pahal) aims to operate within an effective risk management framework to actively manage all the risks faced by the company, in a manner consistent with its risk profile. It seeks to promote a strong risk culture throughout the organization. A strong risk culture is designed to help reinforce the Company's efforts by encouraging a holistic approach to the management of risk and return throughout the organization as well as the effective management of Pahal's risk, capital, and reputation.

Risk is an integral part of Pahal's business, and sound risk management is critical to the success of the organization. As a financial institution, the company is exposed to risks that are particular to the small-ticket micro-lending business and the environment within which it operates. The company has identified and implemented comprehensive policies and procedures to assess, monitor, and manage risk throughout the company. The risk management process is continuously assessed and improved to meet the changing risk scenario; the agility of the risk management process is monitored and reviewed for its appropriateness in the changing risk landscape. The process of continuous evaluation of risks includes taking stock of the risk landscape on an event-driven basis.

Governance and Oversight

Overall governance, management, and oversight of the risk management practices of the organization exist with the Board, Audit Committee, ALCO, and Risk Management Committee. Risk management at Pahal aims to reduce the likelihood of errors, wrong decisions, and the impact of risks due to unforeseen circumstances as much as possible. The management regularly monitors risk and discloses its risk profile and mitigation strategies to the board on an ongoing basis.

Risk Management Framework

Pahal has a strong risk management system in which the Board approved Risk Management Framework covers Credit, Operational, Market, Liquidity, Reputational Risk, and Risk Based Internal Audit. The risk appetite includes a series of metrics as Key Risk Indicators with limits that express, in quantitative and qualitative terms, the maximum risk exposure that company is willing to assume. Trend analysis is done based on these KRIs. Risk assessments and support activities to address threshold

breaches are conducted to monitor potential risks, Pahal uses a risk matrix, and stress testing to assess and compare the risks. New Processes and products are reviewed from a risk control perspective. Regular Risk Reports are prepared for senior management and board.

Internal Audit

Pahal has a full-fledged in-house business internal audit department for internal audit of its branch business operations and processes. They provide regular reports to the internal stakeholders, share them with the external stakeholders as and when required, and present them to the board. The Chief Audit and Risk Officer reports to the Audit Committee (ACB) and Risk Management Committee of the Board. The audit reports are discussed with the business operations team and Branch back-end operations team to minimize inconsistencies, focus on areas of improvement, and ensure the correction of operational problems. This also includes checking all compliance with regard to regulatory guidelines and statutory compliances.

Pahal has adopted a risk-based audit planning approach to conduct its audits throughout the year. The Audit Plan is developed based on an understanding of inherent risks and the control environment. Audit frequency is determined through a risk-based approach, considering historical audit grades, trends, and trend analysis of key risk indicators.

Social and Environmental Performance Management

Social and Environmental Performance Management (SEPM) is the effective translation of an institution's social and environmental mission into practice. At Pahal, the vision, mission, and values serve as the basic principles for Social and Environmental Performance Management and its approach is based on the Universal Standards for Social and Environmental Performance Management (USSEPM), a framework provided by Social Performance Task Force (SPTF) and Cerise for the effective implementation of Social and Environmental practices. SPI5 is an assessment tool which is used to assess an institution's compliance to USSEPM. It evaluates performance across various dimensions, including social strategy and commitment, client protection principles, responsible growth and development, human resource development, and environmental performance management.

Client Protection and Code of Conduct

Pahal has imbibed the spirit of Client Protection Principles and developed a strong

culture of fair and responsible behavior toward its clients. Pahal follows the client protection guidelines provided by SPTF and Cerise under the Client Protection Pathway-. Pahal has also achieved the highest Grade of C1 in Code of Conduct Assessment signifying excellent performance on Code of Conduct dimensions.

Products and Services focused on positive Social Impact

Pahal has a wide range of products and services which help in improving the quality of life of the underserved sections of society by providing safety net against socio economic risks and creating opportunities for employment generation, livelihood growth, women empowerment, education, improving sanitation etc. These products and services include water & sanitation loans, education loans, health insurance, cattle insurance etc.

Pahal provides various non-financial services such as providing financial literacy training and health consultation to clients and their community. Health consultation services is provided in collaboration with M-SWASTH. Pahal has set up E-Clinics in its branches. Through this initiative, Pahal aims to provide the most advanced and digital health facilities and create more health awareness.

Client Impact and Satisfaction Studies

Pahal regularly takes part in the annual Microfinance Index Survey by an External agency 60 Decibels. The purpose of the study is to assess the impact of microfinance services on clients' lives. The results show that Pahal has improved clients' access to financial services and improved their quality of life. Moreover, Pahal internally conducts Client Satisfaction Surveys at regular intervals to get insights on clients' satisfaction levels.

Environmental Performance

Pahal is streamlining its practices to devise an effective strategy to improve the Environmental performance. Pahal has done a gap assessment to see the scope of improvement. The ESG strategy is being planned to mitigate climate risk, reduce its impact on the portfolio, improve the resilience against climate shocks. Pahal has expanded its Environmental Strategy to include the goal of being a carbon neutral company as a part of its strategy. The lending practices have also been enhanced to include Social and Environmental Criteria in credit assessment. These measures will be a part of broader ESG framework which will include active tracking of carbon emission data.

There are products such as loans for climate smart agriculture, loans for biodegesters, ecofriendly solutions such as solar lights and induction cooktops as consumer products, climate risk insurance and loans for electric vehicles which reduce the negative impacts on environment and act as effective mitigation of climate change risk. Pahal has also reduced paper usage through increasing digitization of the core processes.

Sustainability Rating

Pahal conducted an external Sustainability Rating exercise which was based on Sustainable Development Goals (SDGs) and Environmental, Social & Governance (ESG) criteria. It was done through an external agency, Agents for Impact Sustainability Alignment Rating (AFISAR). Pahal achieved a score of 69% with a "B+" Rating which is above the AFISAR benchmark of 43%.

COMMITTEES OF THE BOARD AND THEIR COMPOSITION

The Board of Directors has constituted various Board Committees with specific terms of reference to ensure timely and effective working of the Board and the Company in addition to comply with the provisions of the Companies Act 2013, the SEBI (LODR) regulation 2015, other regulations/guidelines of the Reserve Bank of India (RBI) and other statutory provisions. The Committees operate as empowered bodies of the Board. There are 9 (Nine) Committees of the Board of Directors, which have been delegated adequate powers to discharge their roles and responsibilities and urgent business of the Company. The composition and functioning of these Committees are in compliance with the applicable provisions of Companies Act 2013, SEBI (LODR) regulation 2015 and also in consonance with the Master Directions issued by the RBI for NBFC. As on March 31, 2025, the following committees were in operation :

1. Audit Committee;
2. Nomination and Remuneration Committee;
3. Stakeholders Relationship Committee;
4. Corporate Social Responsibility Committee;
5. Asset and Liability Management Committee
6. Risk Management Committee
7. Information Technology Strategy Committee;
8. Finance Committee

The Committee meets as often as required. The Minutes of the meeting of the Committee are circulated to the Board of Directors. The brief description of terms of reference and composition of these Committees are as follows:

1. Audit Committee

The Audit Committee of the Company is chaired by the Non-Executive Independent Director. All the members of the Committee are financially literate and possess thorough knowledge of accounting or related financial management expertise. The Audit Committee has been constituted with the primary objective to monitor and provide an effective supervision of the management's financial reporting process, to ensure accurate and timely disclosures, with the highest level of transparency, integrity, and quality of financial reporting. Majority of the members of the Committees are Independent Directors.

The Statutory Auditors and Internal Auditors are invited to the Audit Committee Meeting to discuss with Directors the scope of Audit and their report along with comments. Minutes of Audit Committee Meetings are circulated to all the members and thereafter discussed and noted at the subsequent Board Meeting. The Company Secretary of the Company acts as Secretary of the Audit Committee

The Composition of the Audit Committee as on 31st March 2025 was as follows:

DETAILS OF NON-COMPLIANCE WITH REQUIREMENT OF COMPANIES ACT 2013: NIL**BOARD EVALUATION:**

In terms of provisions of the Companies Act, 2013, the Board has carried out an annual performance evaluation of its own performance, the Director individually as well as evaluation of the working of its Committees. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance of the Chairperson and the Non-Independent Directors was carried out by the Independent Directors.

COMPLIANCE WITH SECRETARIAL STANDARDS

The Company has devised proper systems to ensure compliance with the provisions of all applicable Secretarial Standards issued by the Institute of Company Secretaries of India and that such systems are adequate and operating effectively.

AUDITORS & THEIR REPORTS

- **Statutory Auditors and their report:**

Pursuant to the guidelines issued by RBI on April 27, 2021 for appointment of Statutory Central Auditor (SCA)/ Statutory Auditor (SAs) of Commercial Banks (excluding RRBs), UCBs and NBFCs (including HFCs) vide its circular No. RBI/2021- 22/25, Ref. No. DoS.CO.ARG/SEC.01/08.91.001/2021-22 ("RBI Circular") as amended from time to time, the provisions of Sections 139 and 141 of the Companies Act, 2013 and Rules made thereunder, the Shareholders in the 12th Annual General Meeting had appointed M/s. J. H Mehta & Co., Chartered Accountants having Firm Registration No. 106227W as the Statutory Auditors of the Company, to hold office for a continuous period of three years (commencing from the Financial Year 2022-23 to the Financial Year 2024-25) until the conclusion of the 15th Annual General Meeting of the Company, thus the tenure of the Statutory Auditors of the Company completes on the ensuing Annual General Meeting of the Company to be held on 30th September, 2025.

The Board of Directors in their meeting held on 15th September, 2025, based on the recommendation of the Audit Committee, has proposed the appointment of M/s. PKF Sridhar & Santhanam LLP, Chartered Accountants (Firm Registration No. 003990S/S200018) having a valid Peer review Certificate issued by the Peer Review Board of ICAI, as the Statutory Auditors of the Company for a term of 3 consecutive

years, commencing from the Financial Year 2025-26 to the Financial Year 2027-28, to hold office from the conclusion of the 15th Annual General Meeting until the conclusion of the 18th Annual General Meeting of the Company, subject to approval of the shareholders.

M/s. PKF Sridhar & Santhanam LLP have confirmed their eligibility and consent to act as Statutory Auditors of the Company, in accordance with the provisions of Sections 139 and 141 of the Companies Act, 2013, and rules framed thereunder.

The Audit Report for the Financial Year ended 31st March 2025 does not contain any qualification, reservation or adverse remark and form part of this report.

The Board has placed on record its sincere appreciation for the services rendered by M/s. J. H Mehta & Co., Chartered Accountants, as Statutory Auditors of the Company.

Secretarial Auditors and their report:

In terms of Section 204 of the Companies Act, 2013, and the Rules framed thereunder and based on recommendation of the Audit Committee, the Board of Directors of the Company has appointed M/s. GKV & Associates (Company Secretary & Trade Mark) to carry out Secretarial Audit of the Company under the provisions of the Companies Act, 2013 for the Financial Year 2024-25. The Company provided all the assistance and the facilities to the Secretarial Auditor for conducting the Secretarial Audit. The report does not contain any qualification, reservation or adverse remark. The Secretarial Audit Report is annexed with this report as Annexure III.

The Board has placed on record its sincere appreciation for the services rendered by GKV & Associates (Company Secretary & Trade Mark), as Secretarial Auditor of the Company.

Internal Auditors:

As per Section 138 of the Companies Act, 2013, and based on recommendation of the Audit Committee, the Board of Directors of the Company has appointed M/s. Radisson Consulting LLP to conduct the Internal Audit of the Company for the Financial Year 2024-25.

COST RECORDS AND COST AUDIT:

Maintenance of cost records and requirement of Cost Audit as specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, is not applicable for the business activities carried out by the Company.

REPORTING OF FRAUD BY AUDITORS

During the period under review, neither the Statutory Auditors nor the Secretarial Auditors have reported to the Audit Committee/Board any instances of material fraud in the Company by its officers or employees under Section 143 (12) of the Companies Act, 2013.

However, a few instances of misappropriation including embezzlement of cash of Rs. 98.40 lakhs by officers or employees of the Company have been noticed during the financial year 2024-25 and the same were reported to the Reserve Bank of India.

NOMINATION AND REMUNERATION POLICY

The policy of the Company on Director's appointment and remuneration, including criteria for determining qualifications, positive attributes, independence of a Director and other matters, as required under sub-section (3) of Section 178 of the Companies Act, 2013, are formulated by the Nomination and Remuneration Committee. The detailed policy can be accessed through Company's website from the following web link <https://pahalfinance.com/wp-content/uploads/2025/08/Nomination-and-remuneration-policy.pdf>.

WHISTLE BLOWER POLICY/VIGIL MECHANISM

The Board adopted and implemented the Vigil Mechanism/Whistle Blower Policy that adopts best practice. The policy enables the employees to report to the management instances of unethical behavior, actual or suspected fraud or violation of Company's Code of Conduct. Further the mechanism adopted by the Company encourages the Whistle Blower to report genuine concerns or grievances and provide for adequate safeguards against victimization of the Whistle Blower who avails of such mechanism and also provides for direct access to the Chairman of the Audit Committee, in exceptional cases.

The said Policy can be accessed at <https://pahalfinance.com/wp-content/uploads/2025/08/Whistle-Blower-Policy.pdf>.

POLICY ON PREVENTION, PROHIBITION AND REDRESSAL OF SEXUAL HARASSMENT AT WORKPLACE

To foster a positive workplace environment, free from harassment of any nature, the Company has adopted a Policy on Prevention, Prohibition and Redressal of Sexual Harassment at the workplace, in line with the provisions of "Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013" and the Rules made thereunder. Further, the Company has not received any complaint of sexual harassment during the Financial Year 2024-25.

Your Company has complied with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The Prevention of Sexual Harassment (POSH) Policy is in place and Internal Complaints Committee (ICC) has been constituted and is fully operational & functional. The constitution of ICC is as per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the committee includes external member with relevant experience. The Committee meets at regular intervals in order to ensure and enhance security of female employees.

The disclosure as required under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 for Financial Year 2024-25 is given below:

Number of complaints filed during the financial year: Nil

Number of complaints disposed of during the financial year: Nil

Number of complaints pending as on end of the financial year: Nil

The said Policy can be accessed at <https://pahalfinance.com/wp-content/uploads/2025/08/POSH-Policy.pdf>.

CUSTOMER GRIEVANCE

The Company has organised Grievance Redressal Processes for receiving and handling customer complaints/grievances and ensuring that the customers are treated fairly and without any bias at all the times. All issues raised by the customers are dealt with courtesy and redressed expeditiously.

FAIR PRACTICE CODE

The Company has in place a Fair Practice Code (FPC) approved by the Board in compliance with the guidelines issued by RBI, to ensure better service and provide necessary information to customers to take informed decisions. The FPC is available on the website of the Company at

<https://pahalfinance.com/wp-content/uploads/2025/08/Fair-Practices-Code-Gujarati.pdf>

<https://pahalfinance.com/wp-content/uploads/2025/08/Fair-Practices-Code-Marati.pdf>

<https://pahalfinance.com/wp-content/uploads/2025/08/Fair-Practices-Code-Tamil-1.pdf>

<https://pahalfinance.com/wp-content/uploads/2025/08/Fair-Practices-Code-Hindi.pdf>

<https://pahalfinance.com/wp-content/uploads/2025/08/Fair-Practices-Code-Telugu-1.pdf>

The Board also periodically reviews the FPC to ensure levels of adequacy and appropriateness.

PAHAL EMPLOYEE STOCK OPTION (ESOP) SCHEME

Pursuant to the approval accorded by the shareholders vide resolution passed in Annual General Meeting held on 23rd September 2016, the Board had formulated an Employee Stock Option Scheme. Further in the meeting of Board of Directors of the Company, the board on recommendation of Nomination and Remuneration Committee of the Company adopted Pahal Employee Stock Option Plan 2018 for 5,00,000 Equity Shares at Rs. 32.25 per share which was approved by the Shareholders vide resolution passed in the General Meeting.

RELATED PARTY TRANSACTIONS

The Company has put in place a policy for Related Party Transaction (RPT Policy), which has been approved by the Board of Directors, and which is reviewed every year by the Board of Directors. The Policy provides for identification, necessary approval by the Audit Committee/ Board reporting and disclosure requirement in compliance with the requirement of the companies act 2013 and the SEBI (Listing Obligation and Disclosures Requirements) 2015.

During the year under review your company has not entered into any transaction with related party. Details of related party transactions as per Accounting Standard may be referred to in Note 46 of the Financial Statements.

EXTRACT OF ANNUAL RETURN

In terms of Section 92(3) of the Companies Act 2013 read with section 134(3)(a) thereof, the Annual Return of the Company for the year ended 31st March 2025, in

the prescribed Form MGT – 7 is available on the website of the company on <https://pahalfinance.com/investors-information/annual-return/>

DISCLOSURES UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016

Your Company has neither filed any application nor any proceeding pending under the Insolvency and Bankruptcy Code, 2016 during the reporting year, hence no disclosure is required under this section.

CORPORATE SOCIAL RESPONSIBILITY

As per the requirements of the provisions of Section 135 of the Companies Act, 2013 read with rules made thereunder, your Company had constituted a Corporate Social Responsibility (CSR) Committee. As on March 31, 2025, members of the Committee were: -

Sr. no	Name of the Member	Designation/Nature of Directorship	No. of Meetings of CSR Committee held during the year	No. of meetings of CSR Committee attended during the year
1.	Mr. Satish Mehta	Non-Executive & Independent Director (Chairperson)	1	1
2.	Ms. Arpita Pal Agarwal	Nominee Director – Dia Vikas Capital Private Limited	2	2
3.	Mr. Kartik S Mehta	Managing Director	2	2
4.	Ms. Purvi J Bhavsar	Managing Director	2	2

The Committee has in place the CSR policy in accordance with provisions of Section 135 of the Companies Act, 2013, read with Rules made thereunder, indicating the activities to be undertaken by the Company from time to time. The Committee has been entrusted with the prime responsibility of implementation of the activities under the CSR Policy and recommend the amount to be spent on such CSR activities during the year. The Committee is also responsible for recommending to the Board such activities which could be undertaken as per CSR policy.

The CSR Policy of your Company, as adopted by the Board is available on the website of the Company and can be accessed through the weblink of the Company <https://pahalfinance.com/wp-content/uploads/2025/08/29.-CSR-Policy-2025-26.pdf>.

Your Company has undertaken the CSR activities and complied with the provisions of Section 135 of the Companies Act, 2013. During the Financial Year under review, your Company spent Rs. 37.38 Lakhs on its CSR activities towards Health (E Clinic), education, flood relief & Water and Sanitation as against the required CSR liability amounting to Rs. 49.49 Lakhs, 2% of the average net profits of previous three financial years.

The CSR initiatives undertaken by your Company along with other CSR related details form part of the Annual Report on CSR activities for FY 2024-25, which is annexed as Annexure- IV

During FY 2024-25, your Company, through its ongoing initiative, collaborated with M-SWASTH to set up e-clinics at its branches, with the objective of providing timely and affordable healthcare solutions to rural communities that often face challenges due to limited resources and inadequate infrastructure.

The e-clinic model comprises a small kiosk equipped with a laptop or tablet for seamless digital connectivity with doctors, along with basic medical devices to measure blood pressure, sugar levels, blood counts, and other vitals. Operated by trained workers and dedicated staff, these e-clinics offer a simple, effective, and low-cost approach to healthcare, ensuring accessibility and convenience for underserved populations.

The facility is enabled by M-Insure, a technology-driven healthcare service provider, which through its tele-health and tele-medical platform connects rural patients with qualified doctors and medical specialists. At present, the project is operational in Uttar Pradesh and Bihar, with a vision to expand further in the coming years.

Village Tekri – Pahal's Commitment to Community Well-being

At Pahal, we believe that sustainable development begins with empowering communities. Guided by our core values of integrity and innovation, we continue to contribute meaningfully to improving lives through focused community initiatives.

Our engagement with Tekri Village, Mehsana District, Gujarat, began around four years ago, and we remain committed to driving positive and lasting impact. Recent initiatives undertaken in the village include:

1. Clean Water Access – Ensuring availability of safe drinking water.

2. Solar Energy Products – Promoting clean energy and reducing dependence on conventional sources.
3. Improved Sanitation – Supporting hygiene and healthier living conditions.
4. Supporting Education – Enabling better learning opportunities for children.

These initiatives reflect our commitment to holistic community development by addressing essential needs such as water, energy, sanitation, and education. Through such efforts, we aim to foster a healthier, more sustainable future for the communities we serve.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

The Company is a Non-Banking Financial Companies classified as NBFC-MFI and the principle business of the Company is to provide loan. Hence, Section 186 will not be applicable to your Company. The Company has not entered into any such transaction as prohibited under section 186.

ANNEXURE FORMING PART OF THIS REPORT OF DIRECTORS:

CORPORATE GOVERNANCE REPORT

This Corporate Governance Report relating to the year ended on March 31, 2025 was prepared in compliance with the applicable provisions of the Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereof and RBI Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 bearing ref No. RBI/DoR/2023-24/106 DoR.FIN.REC.No.45/03.10.119/2023-24, dated October 19, 2023 (as updated from time to time) and forms a part of the Director’s Report to the Members of Pahal Financial Services Private Limited (“Company”)

COMPANY’S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company believes that a good corporate governance system is necessary condition to ensure its long term success. It ensures good governance through the implementation of effective policies and procedures, which is mandated and regularly reviewed by the Board of Directors (‘the Board’) or the committees of the members of the Board. The Board appreciates the growing demand for accountability, honesty and transparency in fulfilling its fiduciary duties towards various stakeholders of the company. The Board believes that the observance of generally accepted governance standards provides a company with legitimacy, reduces its vulnerability to a financial crisis, and broadens and deepens its access to capital. The Board believes that the company should adopt the governance principles of highest standard to enhance its reputation as a leading micro finance institution and to maintain the trust of investors.

These Corporate Governance Principles, adopted by Company, together with the charter of the Asset and Liability Committee, Risk Management Committee, Audit Committee, Nomination and Remuneration Committee, Finance Committee, Stake Holder Relationship Committee, , Information technology Strategy Committee, Corporate Social Responsibility Committee, Code of Conduct/ Ethics-for all employees, Code of Conduct for Directors & Senior Management, Customer Grievance Redressal Policy, Fair Practices Code, Investment Policy, Anti-sexual Harassment Policy, Risk Management Policy, Whistle Blower Policy provide the framework for the governance of the company. The Board of Directors along with its committees provides leadership and guidance to the Company’s management and directs, supervises

and controls its activities. The responsibility of the Board as a whole, and the Terms of Reference Committees are provided in this Report.

Annexure III

FORM NO. MR-3

Secretarial Audit Report for the financial year ended on 31st March, 2025

(Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014)

To,

The Members

Pahal Financial Services Private Limited

(CIN- U65910GJ1994PTC082668)

7th Floor, Binori B Square- 2,

Opp. Hathising ni Vadi, Ambli Iscon Road,

Ahmedabad, Gujarat- 380054 (India)

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Pahal Financial Services Private Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us with a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's Books, Papers, Minute Books, Forms and Returns filed and other Records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the financial year ended on March 31, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

The company is engaged in the business of Micro Finance Institution- Non-Banking Financial Company (NBFC) as defined in Section 45- I (A) of the Reserve Bank of India Act, 1934;

We have examined the books, papers, minute books, forms and returns filed, and other records maintained by Company for the financial year ended on March 31, 2025 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Registrars to an issue and Share Transfer Agents) Regulations, 1993 regarding with the Companies Act, 2013 and dealing with the clients;
 - b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable to the Company during the Audit Period)
 - e) The Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations, 2021;
 - f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not applicable to the Company during the Audit Period)
 - g) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the Audit Period)
 - h) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018.

6. Specifically applicable Laws to the Company, as identified and confirmed by the Management:

- (i). The Reserve Bank of India Act, 1934,
- (ii). Foreign Exchange Management (FEMA) Act, 1999
- (iii). The Prevention of Money Laundering Act, 2002

7. Labor Laws applicable to the Employees of the Company:

- (i). Provident Fund Act, 1952;
- (ii). Employees State Insurance Act, 1948;
- (iii). Profession Tax Act, 1975;
- (iv). The Payment of Gratuity Act, 1972;

We have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards issued by the Institute of Company Secretaries of India;
- b) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further report that:

During the period under review the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines etc. mentioned above

We further report that:

We have not examined compliance with applicable Financial Laws, like Direct and Indirect Tax Laws, since the same have been subject to review by statutory Auditors and other designated professionals.

We further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

- Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.
- During the year the company had convened AGM on 30th September 2024 and EOGM on 2nd August 2024 (on shorter notice), 24th September 2024 (on shorter notice), 12th February 2025 and 19th March 2025 (on shorter notice).
- The company had taken consents of majority directors including Independent Directors for board meetings which were held on shorter notice
- Majority decision is considered, decision in the meetings have been taken unan- imously and recorded as part of the minutes;
- The company has obtained necessary approvals under the various provisions of the Act;
- There was no prosecution initiated and fines or penalties imposed during the year under review except;

Sr. No.	Regulation	Responded Yes/No	Waiver Request if any	Amount Paid	Waiver Re- ceived
1	Regulation 60(2)	Yes	-	11800	-
2	Regulation 50(1)(d)	Yes	-	5900	-

Observation:

- The directors have complied with the disclosure requirements in respect of their eligibility of appointment, independence and compliance with the requirement of the Companies Act, 2013.

We further report that:

Based on our review of Compliance Mechanism established by the Company and on the basis of Compliance Certificate(s) issued by the MD/CEO and taken on re- cord by the Board of Directors at their meeting(s), we are of opinion that, there are adequate systems and processes in place in the Company, which is commensu- rate with the size and operations of the Company to monitor and ensure compli- ance with applicable laws, rules, regulations and guidelines.

We Further report that:

Risk management and Audit**Safeguarding stability****Overview**

At Pahal Financial Services Private Limited (Pahal), effective risk management remains a cornerstone of our operations. Risk is inherent to our business model, particularly in the small-ticket micro-lending space, and its sound management is critical to our long-term success.

Our approach is built around a Board-approved Risk Management Framework that promotes a strong risk culture across the organization. This culture reinforces a holistic approach to balancing risk and return, while safeguarding Pahal's capital, reputation, and financial stability.

The framework is continuously reviewed and refined to align with the evolving risk landscape. Through event-driven reviews, stress testing, and regular assessments, we ensure agility and appropriateness in addressing emerging risks.

Governance & Oversight

Risk governance is overseen by the Board of Directors, the Audit Committee, the Risk Management Committee, and the ALCO. Together, they provide strategic direction and oversight, ensuring that risk-taking is within the Company's defined risk appetite.

Management regularly monitors the risk profile, discloses key developments to the Board, and implements mitigation strategies to reduce the likelihood of operational errors, wrong decisions, or unforeseen disruptions.

Risk Management Framework

Pahal's risk framework covers Credit Risk, Operational Risk, Market Risk, Liquidity Risk, Reputational Risk, and Risk-Based Internal Audit.

- Key Risk Indicators (KRIs): Defined metrics, both qualitative and quantitative, are used to track risk appetite and thresholds.
- Monitoring & Analysis: Trend analysis, risk matrix, and stress testing are applied to assess and compare potential risks.
- Product & Process Review: New processes and products undergo rigorous risk-control assessments prior to rollout.
- Reporting: Regular risk reports are prepared and presented to senior man-

agement and the Board to ensure timely intervention

The Risk Management Framework is being made robust in line with the Operations Risk and Resilience Guidelines by RBI. Frameworks such as RCSA , EWS and KRIs are being developed at Enterprise level

Internal Audit

Pahal operates a dedicated in-house internal audit department that independently reviews branch operations and processes.

- The Chief Audit & Risk Officer reports directly to the Audit Committee and the Risk Management Committee of the Board.
- Audit findings are shared with internal stakeholders and, when required, with external stakeholders.
- Discussions with business and branch teams ensure corrective actions, consistency in operations, and compliance with statutory and regulatory guidelines.
- A risk-based audit plan is followed, with frequency determined by inherent risks, historical audit outcomes, and key risk trends.

This proactive audit framework ensures operational soundness, enhances efficiency, and strengthens compliance discipline across the organization.

Internal Financial Controls

The Company has in place a robust system of internal financial controls, commensurate with its size and nature of operations.

- Independent Oversight: The Board has appointed M/s. Radisson Consulting as the Internal Auditor under Section 138 of the Companies Act, 2013.
- Control Framework: Policies and procedures ensure orderly conduct of business, safeguarding of assets, adherence to policies, and prevention of fraud or misuse of funds.
- Financial Reporting: Controls help maintain accurate accounting records, ensure completeness, and enable timely and reliable financial disclosures.

This framework enables Pahal to maintain strong discipline in managing resources while reinforcing trust with stakeholders.

Financial Performance Analysis

INDEPENDENT AUDITOR'S REPORT**To The Pahal Financial Services Private Limited
Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying Financial Statements of Pahal Financial Services Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss, (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below

to be the key audit matter to be communicated in our report.

Sr.	Key Audit Matter	Auditor's Response
1	<p>Impairment of Loans as at Balance Sheet Date (Expected Credit Losses): (Refer Note 7 to the Financial Statements)</p> <p>Ind AS 109 requires the company to provide for impairment of its loans designated at amortised cost using the expected credit loss (ECL) approach. ECL involves an estimation of probability-weighted loss on loans receivable over their life, considering reasonable and supportable information about past events, current conditions, and forecasts of future economic conditions which could impact the credit quality of the company's loan receivable.</p> <p>In the process, a significant degree of judgment has been applied by the management for:</p> <ul style="list-style-type: none"> • staging of the Loan Receivable (i.e. classification in 'significant increase in credit risk' ('SICR') and 'default' categories) • grouping of borrowers based on homogeneity by using appropriate statistical techniques; • estimation of behavioural life; • determining macro-economic factors impacting credit quality of Loans Receivable; • estimation of losses for Loans Receivable with no/minimal historical defaults. <p>Since the loan Receivable form a major portion of the Company's assets, and due to the significance of the judgements used in classifying loans into various stages as stipulated in Ind AS 109 and determining related impairment provision requirements, this is considered to be the area that had a greater focus of our overall company audit and hence a key audit matter.</p>	<p>Principal audit procedures performed are:</p> <ul style="list-style-type: none"> • Read and assessed the company's accounting policies for impairment of loans and their compliance with Ind AS 109. • Evaluated the reasonableness of the management estimates by understanding the process of ECL estimation and related assumptions and tested the controls around data extraction and validation. • Assessed the criteria for staging of financial assets based on their past-due status to check compliance with requirement of Ind AS 109. Tested a sample of performing (stage 1) assets to assess whether any SICR or loss indicators were present requiring them to be classified under stage 2 or 3. • Tested the ECL model, including assumptions and underlying computation. Assessed the floor / minimum rates of provisioning applied by the company for loans receivable with inadequate historical defaults. • Tested for a sample of exposures, the appropriateness of determining Exposure at Default (EAD), calculation of Probability of Default (PD) and Loss Given Default (LGD) used in ECL calculation. • Assessed disclosures included in the Financial Statements in respect of expected credit losses.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report but does not include Financial Statement and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and to comply with the relevant applicable requirements of the SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Financial Statement in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including the Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. (Refer Note 30)
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary

shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The final dividend pertaining to the previous year, declared and paid by the Company during the year, is in accordance with section 123 of the Act, as applicable. The company has not proposed final dividend for the current year.
- vi. Based on our examination, which included test checks, the company has used an accounting software for maintaining its books of account for the Financial Year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to the Independent Auditors’ Report

[Annexure referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report on Financial Statements for the year ended March 31, 2025, to the members of Pahal Financial Services Private Limited]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Financial Statements of Pahal Financial Services Private Limited (“the Company”) as of March 31, 2025, in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s and Board of Director’s Responsibilities for Internal Financial Controls

The Company’s Management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Financial Statements issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls

With reference to Financial Statements (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls system with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls system with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized

acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls system with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls system with reference to Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial controls system with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to Financial Statements issued by the ICAI.

Annexure B to the Independent Auditors' Report

[Annexure referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" section of our report on Financial Statements for the year ended March 31, 2025, to the members of Pahal Financial Services Private Limited]

To the best of our information and according to explanations provided to us by the Company and the books of accounts and records examined by us in the normal course of audit, we state that:

- i. a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
- b) The Property, Plant and Equipment and right-of-use assets were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c) The Company does not have any immovable property. Based on the examination of the lease agreement in respect of immovable property where the Company is the lessee, we report that lease deed is duly executed in favor of the Company and such immovable property has been disclosed in the financial statement as Right of Use of Assets as at the balance sheet date.
- d) The company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as of March 31, 2025, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder
- ii. a) The Company does not have any Inventory. Therefore, the provisions of clause 3(ii)(a) of the Order are not applicable to the company.
- b) The company has not been sanctioned working capital limits in excess of Rs. 500 Lakhs at any point of time during the year from banks or financial institutions on the basis of security of current assets for which Company requires to submit quarterly returns or statements to banks or financial

institutions. Therefore, the provisions of clause 3(ii)(b) of the Order is not applicable to the company.

- iii. According to the information and explanations given to us, in respect of loans, secured or unsecured, granted to companies, firms, Limited Liability Partnerships or any other parties during the year:
 - a. The Company's principal business is to give loans, and hence reporting under clause (iii)(a) of the Order is not applicable.
 - b. The Investment made and terms and conditions of the grant of loans during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
 - c. In respect of the loans, the schedule of repayment of principal and payment of interest has been stipulated by the Company. Considering that the Company is a non-banking financial company engaged in the business of granting loans majorly to retail customers, the entity-wise details of the amount, due date for payment and extent of delay (that has been suggested in the Guidance Note on CARO 2020 issued by the Institute of Chartered Accountants of India for reporting under this clause) have not been reported because it is not practicable to furnish such details owing to the voluminous nature of data generated in the normal course of the Company's business. Further, except for the instances where there are delays or defaults in repayment of principal and/or interest, the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest, as applicable. The Company has recognized provisions against the above loans, in accordance with the principles of Indian Accounting Standards (Ind AS) and the guidelines issued by the Reserve Bank of India ("RBI") for Income Recognition and Asset Classification (refer Note 7 to the financial statements).

- a) In respect of following loans granted by the Company, which have been overdue for more than 90 days at the balance sheet date, as explained to us, the Management has taken reasonable steps for recovery of the principal amounts and interest:

No. of cases	Principal amount overdue - Rs. In Lakhs	Interest overdue Rs. In Lakhs	Total overdue Rs. In Lakhs	Remarks
51,301	Rs. 5,671.38	Rs. 889.50	Rs. 6,560.88	None

- b) The Company's principal business is to give loans, and hence reporting under clause (iii)(e) of the Order is not applicable.
- c) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.
- iv. The Company has granted loans which are repayable on demand. Details of which are given below.

Particulars	All Parties	Promotors	Related Parties
Aggregate Loans repayable on demand	Rs. 26.16 Lakhs	Nil	Nil
Percentage of Loans of total loans	0.02%	Nil	Nil

- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified for the activities of the Company by the Central Government under section 148(1) of the Companies Act, 2013.
- vii. a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues applicable to the Company have been regularly deposited by it with the appropriate authorities during the year. According to the information and explanations given to us and the records of the Company examined by us, in our opinion, no undisputed amounts payable as at March 31, 2025 for a period of more than six months from the date they became payable.

- b) Details of statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2025 are as under:

Nature of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which amount relates	Amount (Rs. in Lakhs)
The Income Tax Act, 1961	Income Tax	CIT (Appeals)	AY 2018-19, 2020-2021, 2021-22	205.49 (Net of 14.59 paid under protest)

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
- f) The Company did not have investment in any subsidiary or associates or joint ventures and hence, reporting under clause (ix)(f) of the Order is not applicable.
- x. a) In our opinion, the Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x) (a) of the order is not applicable.
- b) The Company has made preferential allotment of convertible preference shares during the year. For such allotment of shares, the Company has complied with the requirements of Section 62 of the Companies Act, 2013, and the funds raised have not been utilised by the Company during the year as the same were received near to year end. The Company has not made any preferential allotment or private placement of (fully or

- partly or optionally) convertible debentures during the year.
- xi. a) According to the information and explanations given to us, no material fraud by the Company has been noticed or reported during the year under audit. However, cash embezzlement, Cheating & Forgery of Rs. 98.40 lakhs by its officers or employees has been noticed and reported during the year under audit.
- b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the Financial Statements, as required by the applicable Indian accounting standards.
- xiv. a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- b) The reports of the Internal Auditor for the period under audit have been considered by us.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. a) The company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.
- b) During the year, the Company has not conducted any Housing Finance activities and is not required to obtain a certificate of registration (CoR) for such activities from the RBI. Further, the Company has valid CoR to conduct Non-Banking Financial activities.
- c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Therefore, paragraph 3(xvi) (c) and (d) of the order are not applicable.
- xvii. The Company has not incurred cash losses amounting during the financial year covered by our audit and in the immediately preceding financial year
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) According to the information and explanations given to us there are no projects other than ongoing projects, in respect of which company is required to transfer unspent amount to a Fund specified in Schedule VII to the Companies Act.
- (b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount, to a Special account before the date of this report and within a period of 30 days from the end of the financial year in compliance with the provision of section 135(6) of the Act.

Statement of changes in equity for the year ended March 31st, 2025**Nature of Reserves****A General reserve**

The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes.

B Securities premium

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.

C Statutory Reserve

As required by section 45-IC of the RBI Act 1934, the company maintains a reserve fund and transfers there in a sum not less than twenty per cent of its net profit every year as disclosed in the profit and loss account and before any dividend is declared. The company cannot appropriate any sum from the reserve fund except for the purpose specified by Reserve Bank of India from time to time. Till date RBI has not specified any purpose for appropriation of Reserve fund maintained under section 45-IC of RBI Act, 1984.

D Stock options outstanding account

This Reserve relates to stock options granted by the Company to employees under Employee Stock Option Schemes. This Reserve is transferred to Securities Premium or Retained Earnings on exercise or cancellation of vested options.

E Cash flow hedge reserve

The Company has taken a cross currency interest rate swap to hedge the foreign currency risk of foreign currency borrowings. To the extent hedge is effective, the change in fair value of hedging instrument is recognised in cash flow reserve.

The accompanying notes form an integral part of the financial statements.

Notes to Financial Statements for the Year ended on March 31, 2025**1. Company overview**

"Pahal Financial Services Private Limited (herein after referred to as 'the Company') is a company incorporated under the provisions of the Companies Act, 1956. The company is non-deposit accepting non-banking financial company ('NBFC-ND') registered with the Reserve bank of India (RBI) under Section 45-IA of the RBI Act, 1934 and has got classified as a Non-Banking Financial Company- Micro Finance Institution ('NBFC- MFI') with effect from January 29, 2014.

The Company has been categorised as NBFC-ML under the RBI Scale Based Regulation dated 22nd October, 2021. Accordingly, the Company has taken steps, wherever applicable, to ensure compliance with the said regulation.

The Company is primarily engaged in business of providing micro finance services to women who are organized as Joint Liability Groups ('JLG') and individuals in the urban areas of multiple states of India.

In addition to the core business of providing micro finance, the company uses its distribution channel to provide certain other financial products and services to customers. Further, with effect from February 21, 2024, Company is also registered with Insurance Regulatory and Development Authority of India as Corporate Agent."

The financial statements are approved for issue by the Company's Board of Directors on 13th May, 2025

2. Basis of Preparation & Presentation of Financial Statements**2.1 Statement of Compliance**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended time to time and the provisions of the RBI as applicable as per Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 issued vide Notification No. DoR.FIN.REC.No.45/03.10.119/2023-24 dated October 19, 2023, as amended time to time ("the Scale Based Regulations, 2023").

2.2 Basis of measurement

The Financial Statements have been prepared on the historical cost basis except for the following items which are measured at fair values:

- certain financial assets and liabilities
- defined benefit plans assets

Notes to Financial Statements for the Year ended on March 31, 2025

2.3 Functional and presentation currency

Indian rupee is the functional and presentation currency. All amounts presented in financial statements are rounded off to nearest Lakhs, except otherwise stated.

The Company presents its balance sheet in the order of liquidity. Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditionally legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis.

2.4 Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding

the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Useful lives of property, plant and equipment
- Valuation of financial instruments
- Provisions and contingencies
- Income tax and deferred tax
- Measurement of expected credit loss
- Consideration of significant related party transactions
- Measurement of defined employee benefit obligations

3. Material Accounting Policies

3.1 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest income and expenses

Interest income is recognised using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial

Notes to Financial Statements for the Year ended on March 31, 2025

asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest on Non-performing assets is recognized in the year of its receipts.

The Company calculates interest income by applying EIR to gross carrying amount of financial assets other than credit-impaired assets.

Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective interest method. These includes fees and commission payable to arrangers and other expenses such as external legal costs, provided these are incremental costs that are directly related to the issue of financial liability.

Dividend

Dividend income is recognised when the Company's right to receive the dividend is established, which is generally when the shareholders approve the dividend.

Gain or loss on derecognition of financial assets

Gain or Loss on derecognition of financial asset is determined as the difference between the sale price (net of selling costs) and carrying value of financial asset.

Bad Debt Recovery

Bad debt recovery is recognised as income in the year of receipt.

All other incomes are recognised and accounted for on accrual basis.

3.2 Property, plant and equipments

Property, plant and equipments are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Property, plant and equipment not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital work-in-progress".

Gains or losses arising from derecognition of property, plant and equipments are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss when the asset is derecognized.

Notes to Financial Statements for the Year ended on March 31, 2025

Depreciation on property, plant and equipment is calculated on straight line basis using the ratio arrived as per the useful life prescribed under Schedule II to the Companies Act, 2013.

In respect of property, plant and equipment purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to use. Assets costing less than rupees ten thousand each is fully depreciated in the year of purchase.

The residual value, useful live and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.3 Intangible assets

An intangible asset is recognised, only where it is probable that future economic benefits attributable to the asset will accrue to the enterprise and the cost can be measured reliably.

Intangible assets are stated at cost, less accumulated amortization and impairment losses, if any.

Intangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as "Intangible Assets Under Development".

Separately purchased intangible assets are initially measured at cost. Subsequently, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized over the expected duration of benefit on a straight-line basis. Intangible assets acquired / purchased during the year are amortised on a pro-rata basis from the date on which such assets are ready to use. Software cost related to computers is capitalized and amortized using the straight-line method over a period of three years.

The residual value, useful live and method of amortization of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.4 Financial Instruments**3.4.1 Initial recognition**

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to or deducted from the fair value of financial assets or financial liabilities on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss. Regular way purchase and sale of financial assets are accounted for at trade date.

Notes to Financial Statements for the Year ended on March 31, 2025**3.4.2 Subsequent measurement****A Non-derivative financial instruments****I Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

II Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. For such equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently measured at fair valued through profit or loss. Fair value changes are recognised as other income in the Statement of Profit or Loss.

iv Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

b Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognised as a deduction from equity instrument net of any tax effects.

c Instruments entirely equity in nature

An option embedded in financial instruments to exchange a fixed number of the company's own equity instruments for a fixed amount of any currency are considered as equity instruments. Such instruments in financial statements are disclosed as Instruments entirely equity in nature

Notes to Financial Statements for the Year ended on March 31, 2025

3.4.3 Derecognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when obligation specified in the contract is discharged or cancelled or expires.

3.4.4 Off-setting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when the company currently has a legally enforceable right to offset the recognised amount and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

3.4.5 Modification

"A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date. The Company renegotiates loans to customers in financial difficulty to maximize collection and minimize the risk of default. A loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already

140 | Pahal Financial Services Private Limited

happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness).

Not all changes in terms of loans are considered as renegotiation and changes in terms of a class of obligors that are not overdue is not considered as renegotiation and is not subjected to deterioration in staging."

3.4.6 Derivative Instruments

"The Company designates cross currency interest rate swap contracts as hedge instruments in respect of foreign exchange risks arising from foreign currency borrowings. These hedges are accounted for as cash flow hedges. The Company uses hedging instruments that are governed by the policies of the Company which are approved by their respective Board of Directors. The policies provide written principles on the use of such financial derivatives consistent with the risk management strategy of the Company. The hedge instruments are designated and documented as hedges at the inception of the contract. The Company determines the existence of an economic relationship between the hedging instrument and hedged item based on the currency, amount and timing of their respective cash flows. The effectiveness of hedge instruments to

Notes to Financial Statements for the Year ended on March 31, 2025

reduce the risk associated with the exposure being hedged is assessed and measured at inception and on an ongoing basis. If the hedged future cash flows are no longer expected to occur, then the amounts that have been accumulated in other equity are immediately reclassified in the statement of profit and loss. The effective portion of change in the fair value of the designated hedging instrument is recognised in other comprehensive income and accumulated under the heading cash flow hedging reserve.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity till that time remains and is recognised in statement of profit and loss when the forecasted transaction ultimately affects the profit and loss. Any gain or loss is recognised immediately in the statement of profit and loss when the hedge becomes ineffective."

3.4.7 Foreign exchange transactions and translations

(A) Initial recognition: Transactions in foreign currencies are recognized at prevailing exchange rates between reporting currency and foreign currency on transaction date.

(B) Conversion: Transactions in foreign currencies are translated into the functional currency using the exchange

rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of profit and loss. Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of profit and loss on a net basis."

3.4.8 Securitisation and direct assignment

The securitised assets where the Company has not transferred substantially all the risks and rewards in accordance with the provisions of Indian Accounting Standard No.109 (Ind AS 109), 'Financial Instruments' shall not be de-recognized and proceeds received from securitisation shall be recognised as borrowings and interest thereon shall be recognised as finance cost.

The direct assignment transaction where the Company has transferred substantially all the risks and rewards in accordance with the provisions of Indian Accounting Standard No.109 (Ind AS 109), 'Financial Instruments' shall be de-recognized. Similarly, the gain on sale of assets arising from a direct assignment transactions, has been recognised on de-recognition as interest only strip."

Notes to Financial Statements for the Year ended on March 31, 2025**3.5 Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 – inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 – inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived prices)

Level 3 – inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

3.6 Income taxes**3.6.1 Current Tax**

Current tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity, respectively.

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Notes to Financial Statements for the Year ended on March 31, 2025

Current tax assets and current tax liabilities are offset, where company has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

3.6.2 Deferred Tax

Deferred tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax liabilities are recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from initial recognition of goodwill; or initial recognition of an asset or liability in a transaction which is not a business combination and at the time of transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax losses and carry forward of unused tax credits to the extent that it is probable that taxable profit will be available against which those temporary differences, losses and tax credit can be utilized, except when deferred tax asset on deductible temporary differences arise from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the

transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rules and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, where company has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

3.7 Impairment**3.7.1 Financial assets**

Considering the prudence, the Company recognizes impairment on financial asset on higher of the provision required as per the directions issued by Reserve Bank of India or using expected credit loss (ECL) model as prescribed in Ind AS for the financial assets which are not fair valued.

The expected credit losses (ECLs) is recognized based on forward-looking information for all financial assets at amortized cost, no impairment loss is applicable on equity investments.

Notes to Financial Statements for the Year ended on March 31, 2025

At the reporting date, an allowance is required for the 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognized for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3).

The measurement of ECL is calculated using three main components: (i) probability of default (PD) (ii) loss given default (LGD) and (iii) the exposure at default (EAD). The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD. The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities. The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

The Company applies a three-stage approach to measure ECL on financial assets accounted for at amortized cost. Assets migrate through the following three stages based on the change in credit quality since initial recognition.

"Stage 1: 12-months ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognized. Exposures with days past due (DPD) less than or equal to 29 days are classified as stage 1. The Company has identified zero bucket and bucket with DPD less than or equal to 29 days as two separate buckets."

"Stage 2: Lifetime ECL – not credit impaired

For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognized. Exposures with DPD equal to 30 days but less than or equal to 89 days are classified as stage 2. At each reporting date, the Company assesses whether there has been a significant increase in credit risk for financial asset since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition. The Company has identified cases with DPD equal to or more than 30 days and less than or equal to 59 days and cases with DPD equal to or more than 60 days and less than or equal to 89 days as two separate buckets."

Notes to Financial Statements for the Year ended on March 31, 2025**"Stage 3: Lifetime ECL – credit impaired**

Financial asset is assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For financial asset that have become credit impaired, a lifetime ECL is recognized on principal outstanding as at period end. Exposures with DPD equal to or more than 90 days are classified as stage 3."

A loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment.

ECL is recognized on EAD as at period end. If the terms of a financial asset are renegotiated or modified due to financial difficulties of the borrower, then such asset is moved to stage 3, lifetime

ECL under stage 3 on the outstanding amount is applied.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are

90 calendar days or more past due move to Stage 3 automatically.

Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.

The definition of default for the purpose of determining ECLs has been aligned to the Reserve Bank of India definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due.

The measurement of all expected credit losses for financial assets held at the reporting date are based on historical experience, current conditions and reasonable and supportable forecasts. The measurement of ECL involves increased complexity and judgement, including estimation of PDs, LGD, a range of unbiased future economic scenarios, estimation of expected lives and estimation of EAD and assessing significant increases in credit risk.

Presentation of ECL allowance for financial asset

ECL related to the Financial assets measured at amortized cost are shown as a deduction from the gross carrying amount of the assets.

Notes to Financial Statements

for the Year ended on March 31, 2025

Methodology for calculating ECL

The Company determines ECL based on a probability weighted outcome of factors indicated below to measure the shortfalls in collecting contractual cash flows. The Company does not discount such shortfalls considering relatively shorter tenure of loan contracts.

Probability of default (PD) –

The probability of default is an estimate of the likelihood of default over a given time horizon (12- month or lifetime, depending upon the stage of the asset).

Exposure at default (EAD) –

It represents an estimate of the exposure of the Company at a future date after considering repayments by the counterparty before the default event occurs.

Loss given default (LGD) –

It represents an estimate of the loss expected to be incurred when the event of default occurs.

Forward looking information

While estimating the expected credit losses, the Company reviews macro-economic developments occurring in the economy and market it operates in. On a periodic basis, the Company analyses if there is any relationship between key economic trends like GDP, unemployment rates, benchmark rates set by the RBI, inflation, etc. with the estimate of PD, LGD determined by the Company based on its internal data. While the internal estimates

of PG, LGD rates by the Company may not be always reflective of such relationships, temporary overlays are embedded in the methodology to reflect such macro-economic trends reasonably.

Write off

Impaired loans and receivables are written off, against the related allowance for loan impairment on completion of the Company's internal processes and when the Company concludes that there is no longer any realistic prospect of recovery of part or all of the loan. For loans that are individually assessed for impairment, the timing of write off is determined on a case by case basis. A write-off constitutes a de-recognition event. The Company has a right to apply enforcement activities to recover such written off financial assets. Subsequent recoveries of amounts previously written off are credited to the income statement.

3.7.2 Non-financial assets

Tangible and intangible assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists the company estimates the asset's recoverable amount.

An asset's recoverable amount is the higher of an assets net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Notes to Financial Statements

for the Year ended on March 31, 2025

3.9 Employee Benefits

Short term employee benefits for salary that are expected to be settled wholly within 12 months after the end of the reporting period in which employees render the related service are recognized as an expense in the statement of profit and loss.

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

The company operates one defined benefit plan for its employees, viz., gratuity plan. The costs of providing benefits under the plans are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method made at the end of each reporting date. Re-measurement of the net defined benefit liability (asset) comprise of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability (asset) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability / (asset)). Re-measurement are recognised in other comprehensive income and will not be reclassified to profit or loss in a subsequent period.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognised in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

3.8 Borrowing costs

Borrowing cost includes interest and other costs that company has incurred in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset.

All other borrowing costs are expensed in the year they occur.

Investment income earned on temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Notes to Financial Statements for the Year ended on March 31, 2025**Share-based Payments:****Employee Stock Option Plan:**

The Company recognizes compensation expense relating to share-based payments in net profit based on estimated fair-values of the awards on the grant date. The estimated fair value of awards is recognized as an expense in the statement of profit and loss on a straight-line basis over the requisite service period for each separately vesting portion of the award as if the award was in-substance, multiple awards with a corresponding increase to share options outstanding account

Cash-settled transactions:

In case of cash-settled transactions, a liability is recognised for the fair value of cash-settled transactions. The fair value is measured initially and at each reporting date up to and including the settlement date, with changes in fair value recognised in employee benefits expense. The fair value is expensed over the period until the vesting date with recognition of a corresponding liability"

3.10 Provisions

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

3.11 Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Notes to Financial Statements for the Year ended on March 31, 2025**3.12 Contingent Asset**

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. The company does not recognize a contingent asset but discloses its existence in the financial statements.

3.13 Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank (including demand deposits) and in hand and short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.14 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

3.15 Lease

As a lessee, the company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the average cost of raising finance.

Lease payments included in the measurement of the lease liability comprise the Fixed payments, including in-substance fixed payments.

Notes to Financial Statements for the Year ended on March 31, 2025

The lease liability is measured at amortised cost using the effective interest method. When the lease liability is remeasured, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. The company presents right-of-use assets as separate line item in Non-current Assets and lease liabilities in 'borrowings' in the balance sheet."

Short-term leases and leases of low-value assets:

The company has elected not to recognise right-of-use assets and lease liabilities for short-term leases of real estate properties that have a lease term of less than 12 months. The company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term.

3.16 Segment Reporting

An operating segment is component of the company that engages in the business activity from which the company earns revenues and incurs expenses, for which discrete financial information is available and whose operating results are regularly reviewed by the chief operating decision maker, in deciding about resources to be allocated to the segment

and assess its performance. The company's chief operating decision maker is the Board of Director.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable.

Revenue and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

3.17 Cash Flow Statement

Cash flows are reported using indirect method whereby profit for the period is adjusted for the effects of the transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts and payments and items of income or expenses associated with investing and financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated

Notes to Financial Statements for the Year ended on March 31, 2025

3.18 Business combination and Goodwill

Business combination :

Business Combination is accounted for using the acquisition method of accounting. Transaction costs incurred in connection with business combination are expensed out in statement of profit

and loss. The identifiable assets and liabilities that meet the condition for recognition is recognized at their fair values at the acquisition date. If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date"

Goodwill:

Goodwill represents the excess of the consideration paid to acquire a business over underlying fair value of the identified assets acquired. Goodwill is carried at cost less accumulated impairment losses, if any. Goodwill is deemed to have an indefinite useful life and is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount."

3.19 Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

3.20 General

Any other accounting policy not specifically referred to are in consistent with generally accepted accounting principles.

26.4 Rights, preferences and restrictions:

- The Company has only one class of equity shares having a par value of Rs. 10/- . Each holder of equity share is entitled to one vote per share.
- Any dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. Dividend declared and paid would be in Indian rupees.
- In the event of liquidation of the Company, the holders of equity shares shall be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts. The amount distributed will be in proportion to the number of equity shares held by the shareholders.
- Terms of Series C Compulsorily Convertible Preference Shares (CCPS):**
 - Each CCPS is issued at a face value of Rs. 10/- and are entitled to preferential dividend at the rate of 0.001% per year on cumulative basis.
 - The Series C CCPS shall be compulsorily converted into Equity Shares no later than May 31, 2025 or such other date as may be mutually agreed between the Company and the holders of Series C CC, based on the conversion ratio provided herein below:

Number of Equity shares issued upon conversion of CCPS = Issue Price of 1 (One) CCPS / Book Multiple of 2.1x multiplied by adjusted Book Value per share as at March 31, 2025

Notes to Financial Statements for the Year ended on March 31, 2025

43. Fair Value Measurement of Financial asset and financial liabilities

43.1 The Fair value of Loan given and funds borrowed approximate carrying value as the respective interest rates of the said instruments are at the prevailing market rate of interest.

43.2 The carrying amount of other financial assets and other financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled. Hence, fair value hierarchy is not given for the same.

43.3 Derivative Financial Liability on account of cross currency interest rate swap is classified as FVOCI with Level 2 Categorisation. The same is valued on the basis of estimated mid-market levels. Midmarket valuations attempt to approximate the current economic value of a given position using estimates of the midpoint between theoretical bid-side levels and offer-side levels

43.4 Investments in Security Receipts of ARC is classified as FVTPL with Level 2 Categorisation.

44. Financial Risk Management

44.1 Financial Instruments Risk management objectives and Policies

The company's activities expose it to variety of financial risks: market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures and reviews the risk management framework.

44.2 Market Risk The market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises currency risk, interest rate risk and other price risk.

Notes to Financial Statements for the Year ended on March 31, 2025

44.3 Currency Risk : Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency. The Company has foreign currency borrowing and hence is exposed to foreign exchange risk. The Company uses derivative instruments as part of its management of exposure to fluctuations in foreign currency exchange rates. The derivative transactions are in form of cross currency interest rate swaps, fair value of which is separately disclosed under other financial assets / liabilities.

The exposure of foreign currency borrowing is as under:			(Rs. In lakhs)	
Particulars	Currency	March 31, 2025	March 31, 2024	
Liabilities				
Borrowings	Euro	12,962.70	9,174.26	
Borrowings	USD	15,819.86	6,667.84	
Debt Securities	USD	16,628.38	-	
Subordinated liabilities	USD	4,256.82	4,148.29	
		49,667.76	19,990.39	
Sensitivity Analysis			(Rs. In lakhs)	
Particulars		Impact on Profit and Loss after tax		
		March 31, 2025	March 31, 2024	
Liabilities				
Exchange rate increase by 2%		743.35	299.18	
Exchange rate decrease by 2%		(743.35)	(299.18)	

44.4 Interest Rate Risk : Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has no interest rate risk in case of lending activities, as rates of interest on the same are fixed during their tenure. With respect to interest rate risk on borrowing, company manages risk by obtaining fixed as well as floating rate borrowing. In case of borrowing, the Company measures risk through sensitivity analysis.

The company's exposure to interest rate risk is as follows :			(Rs. In lakhs)	
Particulars		March 31, 2025	March 31, 2024	
Liabilities				
Loan Repayable on Demand		700.00	-	
Debt securities		58,616.43	37,491.72

Liabilities				
Price increase by 5%		111.25	121.66	
Price decrease by 5%		(111.25)	(121.66)	

44.6 Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys cash management system. It maintains adequate sources of financing including debt at an optimised cost. The Company measures risk by forecasting cash flows.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient fund to meet expected operational expenses, servicing of financial obligations. The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted value."

44.7 Credit Risk Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness.

The maximum exposure to the credit risk is as follows :			
			(Rs. In lakhs)
Particulars		March 31, 2025	March 31, 2024
Fixed Deposits with Bank		15,408.20	14,269.55
Trade Receivables		736.89	1,241.79
Loans		1,45,389.89	1,63,033.57
Other Financial Assets		3,776.85	1,391.28
		1,65,311.83	1,79,936.19
There is no Credit risk on cash and bank balance			

For the loan portfolio, an impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of credit risk. For the purposes of this analysis, the loan portfolio is categorised into groups based on days past due. Each group is then assessed for impairment using the ECL model as per the provisions of Ind AS 109 - financial instruments. The impairment assessment also carried out in accordance with the regulations prescribed by RBI. The provision for impairment is considered at higher of the amount worked out as per Ind AS 109 or as per RBI Regulations.

Annual Report 2024-2025 | 181

Notes to Financial Statements for the Year ended on March 31, 2025**45. Transfer of financial assets that are not derecognised in their entirety****45.1 Nature of loan portfolio transferred under securitization transaction**

During the year 2024-25 and corresponding previous year, company has entered securitization arrangement with various banks and financial institutions. Under the arrangement company has transferred a select pool of loan portfolio which was originated in its books after completion of the minimum retention period as prescribed by Reserve Bank of India under its securitization guidelines. The company has not done the derecognition of the pool transferred which does not fulfil the derecognition criteria specified in AS 109 as the risk and rewards with respect to these assets are not substantially transferred.

Following such transfer, the company's involvement in these assets is as follows: -

- As a servicer of the transferred assets
- To the extent of credit enhancements provided to such parties.

45.2 Nature of risk and rewards of ownership to which the entity is exposed

The company has transferred a part of its portfolio (measured at amortised cost) vide assignment deals executed with various parties as a source of funds. As per the terms of deal, the derecognition criteria as per Ind As 109 including transaction substantially at the risks and rewards relating assets being transferred to the buyer being met. The assets have been derecognized. These transactions are being done as per the guidelines laid down by the Reserve Bank of India.

The arrangement has evaluated the impact of the assignment transaction executed during the year on its business model. Based on the future business plan, the company's business model remains to hold assets for collecting contractual cash flows.

45.3 Details of assets transferred, assets continue to recognize and associated liabilities under securitization transactions

Weighted average of number of equity shares for diluted EPS calculation	470.49	392.25
Diluted Earning per share of face value of ₹ 10 each (₹)	1.36	10.04

Notes to Financial Statements for the Year ended on March 31, 2025

Company has issued compulsory convertible preference shares during financial year ended March 2025. For calculation of diluted EPS, no. of equity shares to be issued at the time of conversion was based on future financial information. Hence, compulsory convertible preference shares were not included in calculation of diluted EPS.

48. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM is considered to be the Board of Directors who makes strategic decisions and is responsible for allocating resources and assessing performance of the operating segments.

The CODM considers the entire business of the Company on a holistic basis to make operating decisions reviews the operating results of the Company as a whole. Further the Company operates in a single reportable segment i.e. financing wherein loans are given to women who are organized as Joint Liability Groups (JLG) and individuals in the urban areas of various states of India. These activities have similar risks and returns for the purpose of Ind AS 108 "Operating segments" and is considered to be the only reportable business segment. Further, The Company is operating in India which is considered as a single geographical segment.

49. Leases

The Company has taken various office premises under lease. The lease terms in respect of such premises are on the basis of individual agreement entered into with the respective landlords. Tenure of leases ranges from eleven months to nine years. Lease payments in respect of short-term leases and leases of assets with low value are accounted as an expense in the year of incurrence.

Nature of CSR Activities undertaken			
1. E-clinic : Currently Pahal has 15 e-clinics in various locations of UP & Bihar and 80,000+ customers have been benefitted from M-Swasth e-clinics. Swasthya offers remote diagnosis of diseases and general treatment through the use of Tele-health and Telemedicine, thereby building a digital healthcare ecosystem for the mass-market population.			
2. Water & Sanitation : In tekri village, Company installed a new water pump to provide reliable access to clean drinking water for the entire community, especially during the summer months. This initiative replaces the previous hand pumps, which required significant effort and time from children. Recognizing the importance of hygiene, company also constructed new washrooms to ensure proper sanitation facilities. This initiative aims to enhance health and dignity, particularly for women and children.			
3. Education & Financial literacy : Company provided essential stationery support to students of the tekri village and distributed uniforms and also conducted financial literacy & training programmes at various places.			

Notes to Financial Statements for the Year ended on March 31, 20**51. Retirement Benefits****(i) Defined Contribution Plan:**

Contribution to Provident Fund and ESIC are included in note 39 "Employee benefits expense" includes ₹392.00 Lakhs (P.Y. ₹ 330.90 Lakhs) being expenses debited under defined contribution plan.

(ii) Defined Benefit Plan: The Company has funded defined benefit gratuity plan. Every employee who has completed five years or more of service is eligible for a gratuity on separation at 15 days basic salary (last drawn salary) for each completed year of service.

Consequent to the adoption of IND AS 19 'Employee Benefits' specified under section 133 of the Companies Act, 2013 read with rule 7 of Companies (Accounts) Rules, 2014, the following disclosures have been made as required by the standard Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility:

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets underperform compared to this yield, this

will create or increase a deficit. The defined benefit plans may hold equity type assets, which may carry volatility and associated risk.

Change in bond yields: A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plan's investment in debt instruments.

Inflation risk: The present value of some of the defined benefit plan obligations are calculated with reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability. The post-retirement medical benefit obligation is sensitive to medical inflation and accordingly, an increase in medical inflation rate would increase the plan's liability.

Life expectancy: The present value of defined benefit plan obligation is calculated by reference to the best estimate of the mortality of plan participants, both during and after the employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Notes to Financial Statements for the Year ended on March 31, 2025

The following tables set out the status of the gratuity plan as required under Ind AS 19.		
	(Rs. In Lakhs)	
Particulars	March 31, 2025	March 31, 2024
i) Employee benefit expense recognized in Statement of Profit & Loss:		
Current service cost	51.92	37.59
Net Interest cost	4.52	4.73
Net benefit expense	56.44	42.32
ii) Employee benefit expense recognized in Other comprehensive income (OCI):		
Actuarial (gain)/losses on obligation for the period	20.63	22.16
Actual Returns on Plan Assets excluding Interest Income	(1.19)	(0.45)
Net expense recognized in OCI for the period	19.43	21.71
iii) Changes in the present value of the defined benefit obligation are as follows:		
Opening defined benefit obligation	266.24	207.80
Interest cost	19.14	15.38
Current service cost	51.92	37.59
Actuarial (gains) / losses arising from change in demographic assumptions	-	-
Actuarial (gains) / losses arising from change in financial assumptions	15.73	5.87
Actuarial (gains) / losses arising from experience adjustments	4.90	16.29
Benefits Paid	(30.22)	(16.49)
Closing defined benefit obligation	327.71	266.24
iv) Changes in Plan Asset:		
Fair Value of Plan Assets at the Beginning of the Year	203.39	143.78
Expected Returns on Plan Assets	14.62	10.85
Employer's Contribution	70.00	65.00
Benefits Paid	(30.22)	(16.49)
Actuarial Gains/ (Losses)	1.19	0.45
Fair Value of Plan Asset at the end of the year**	258.99	203.39
v) Amount Recognised in Balance Sheet		
Defined benefit obligation	327.71	266.24
Fair value of plan assets	258.99	203.39
Plan asset / (liability)	(68.72)	(62.85)
vi) The principal assumptions used in determining gratuity obligation for the Company's plans are shown below:		
Discount Rate per annum	6.71%	7.19%
Expected return on plan assets	6.71%	7.19%
Rate of salary increase	7.00%	7.00%
Employee turnover rate	For service 2 years and below 35.00% p.a. For service 3 years to 4 years 15.00% p.a. For service 5 years and above 5.00% p.a.	For service 2 years and below 35.00% p.a. For service 3 years to 4 years 15.00% p.a. For service 5 years and above 5.00% p.a.
Mortality Rate	Indian Assured Lives Mortality 2012-14 (Urban)	Indian Assured Lives Mortality 2012-14 (Urban)

** The Plan Asset is managed by LIC of India.

Notes to Financial Statements for the Year ended on March 31, 2025

vii) Projection Risks:		
Investment Risk - The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit.		
Interest Risk - A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.		
Longevity Risk - The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.		
Salary Risk - The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.		
Funding Arrangement and Policy		
The money contributed by the Group to the fund to finance the liabilities of the plan has to be invested. The trustees of the plan are required to invest the funds as per the prescribed pattern of investments laid out in the Income Tax Rules for such approved schemes.		
viii) Maturity Profile of Defined Benefit Obligations		
	(Rs. In Lakhs)

Notes to Financial Statements for the Year ended on March 31, 2025

77. The Company has entered into derivative transaction to hedge foreign exchange risk arising from foreign currency borrowing. The Company designates cross currency interest rate swap contracts as hedge instruments in respect of foreign exchange risks arising from foreign currency borrowings. These hedges are accounted for as cash flow hedges. The hedge instruments are designated and documented as hedges at the inception of the contract. The Company determines the existence of an economic relationship between the hedging instrument and hedged item based on the currency, amount and timing of their respective cash flows. The effectiveness of hedge instruments to reduce the risk associated with the exposure being hedged is assessed and measured at inception and on an ongoing basis. The effective portion of change in the fair value of the designated hedging instrument is recognised in other comprehensive income and accumulated under the heading cash flow hedging reserve. Any gain or loss recognised in other comprehensive income and accumulated in equity and is recognised in statement of profit and loss when the forecasted transaction ultimately affects the profit and loss.

Notes to Financial Statements for the Year ended on March 31, 2025

86. Disclosure pursuant to RBI Notification – RBI/2020-21/17 DOR.No.BP.BC/4/21.04.048/2020-21 dated August 6, 2020 (“Resolution Framework for COVID-19 Related Stress”) is not applicable as the Company has not restructured any loan accounts during the year.

87. The Accounting software’s used by Company for maintaining its books of accounts are having a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software. Further, the audit trail feature of accounting software has not been tampered with during the financial year 2024-25 as required by Proviso to Rule 3(1) of Companies (Accounts) Rules, 2014. Further, the audit trail has been preserved by the company as per the statutory requirements for record retention.

88. Previous year’s figures have been regrouped, where necessary, to confirm to current year’s presentation.
