Sub: Update in relation to earlier intimations dated February 19, 2026 and March 03, 2026 regarding exercise of Early Redemption Option (the update shall not result in suspension of the existing ISIN INE514Q07379)

Dear Sir/Madam,

With reference to our intimations dated February 19, 2026 and March 03, 2026 regarding the exercise of the Early Redemption Option in respect of the Non-Convertible Debentures bearing ISIN INE514Q07379, we wish to provide the following update.

In the aforesaid intimations, the accrued interest amount till the Early Redemption Date (March 20, 2026) was computed considering the entire outstanding principal amount of the Debentures aggregating to INR 60,00,00,000.

However, upon further consultation with the Debenture Holders, it is clarified that the interest payable on the Early Redemption Date shall be calculated only on the principal amount being redeemed pursuant to the Early Redemption Option, i.e. INR 39,06,37,728 and not on the entire outstanding principal amount.

Accordingly:

- Interest payable on the Early Redemption Date i.e., March 20, 2026 shall be calculated only on the principal amount being redeemed, i.e. INR 39,06,37,728.
- The remaining outstanding principal amount of INR 20,93,62,272 shall continue to accrue interest in accordance with the terms of the Debenture Trust Deed and shall be serviced on the scheduled interest payment dates.
